

Combined playground equipment, model KD02

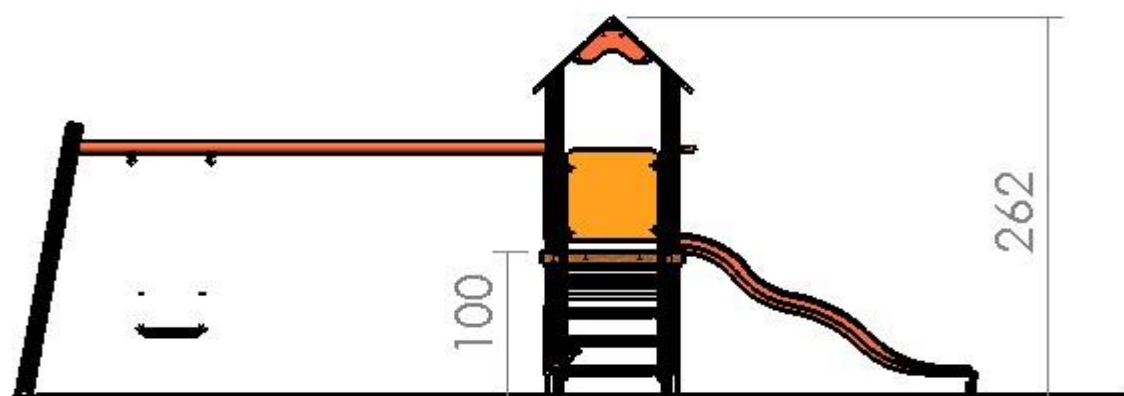

Dimensions of the Equipment and Minimum Space for Placement

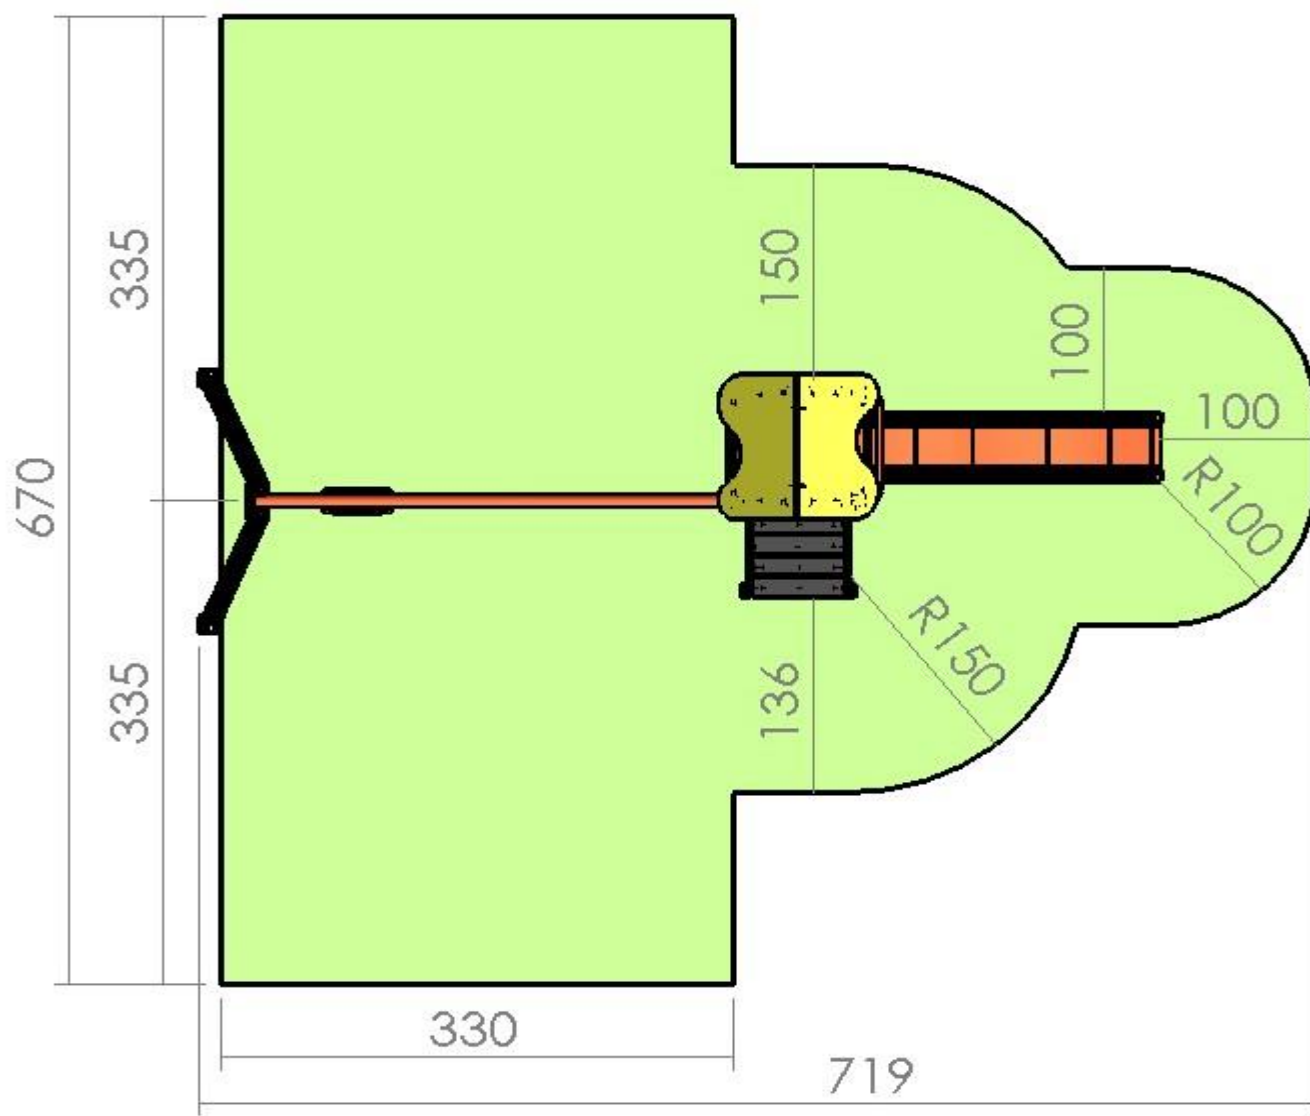

Combined playground equipment, model KD02

Dimensions of the Equipment and Minimum Space for Placement

Зона на падане - 38 м2

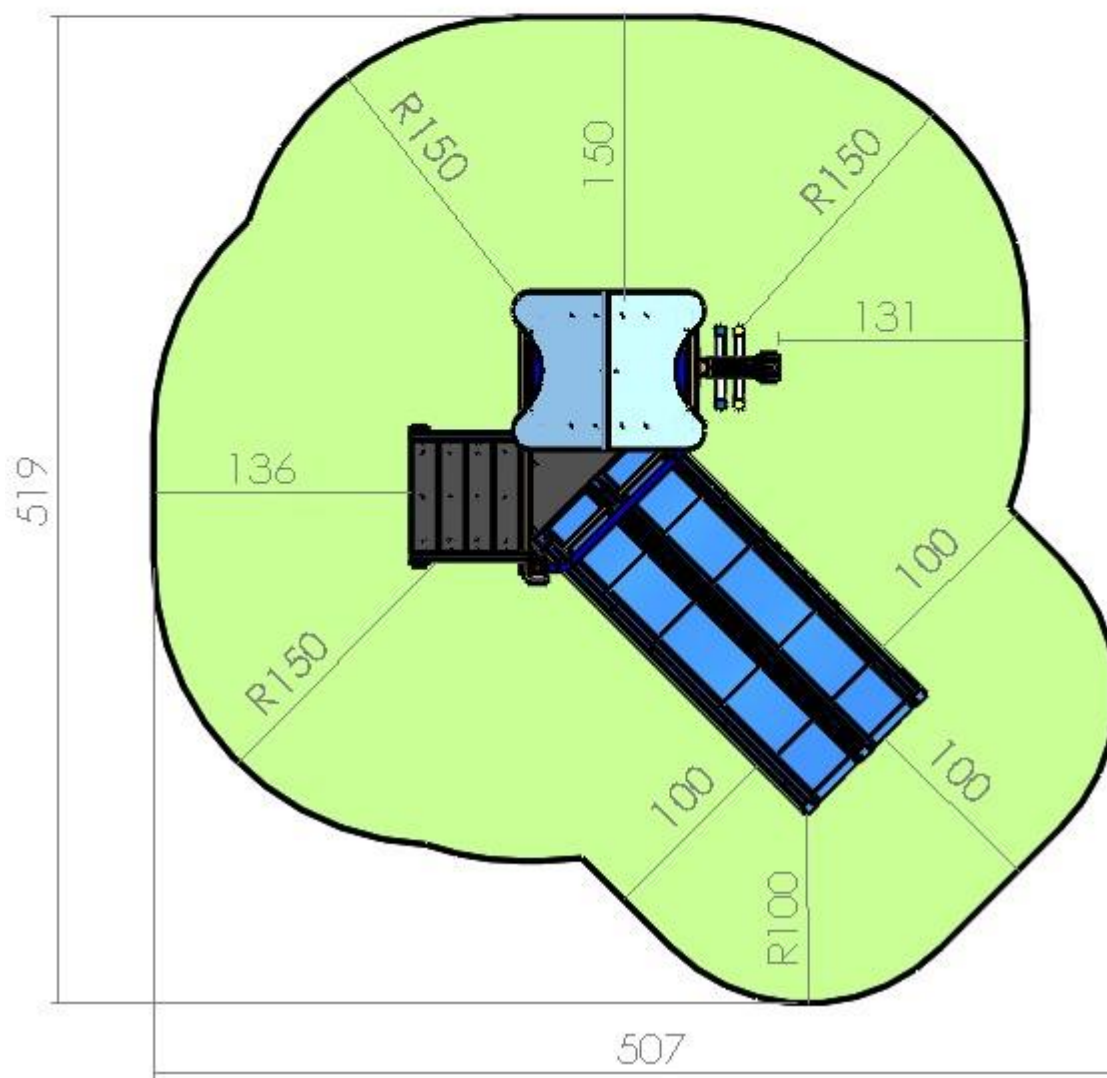

Combined playground equipment, model KD03

Dimensions of the Equipment and Minimum Space for Placement

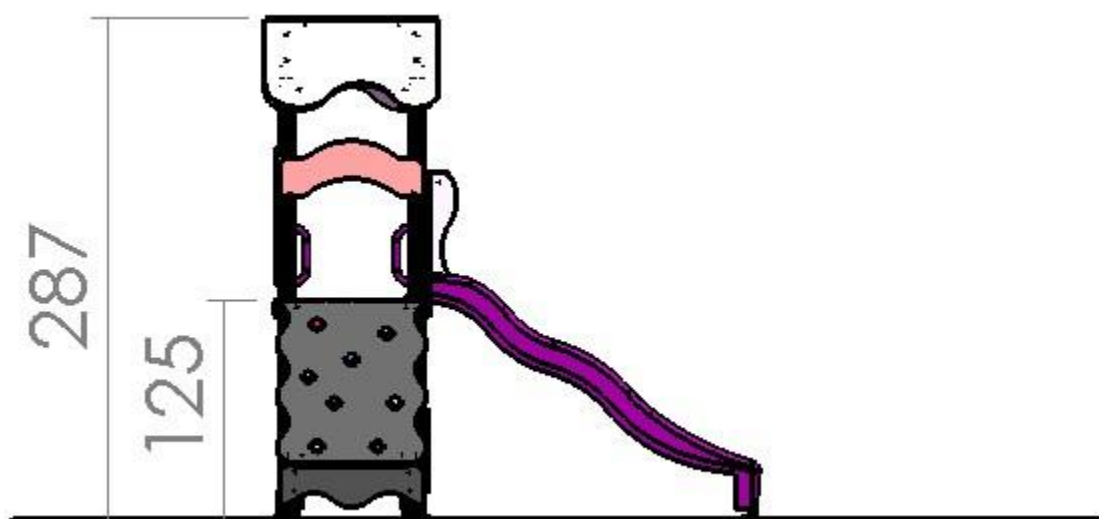

Зона на падане - 22 м2

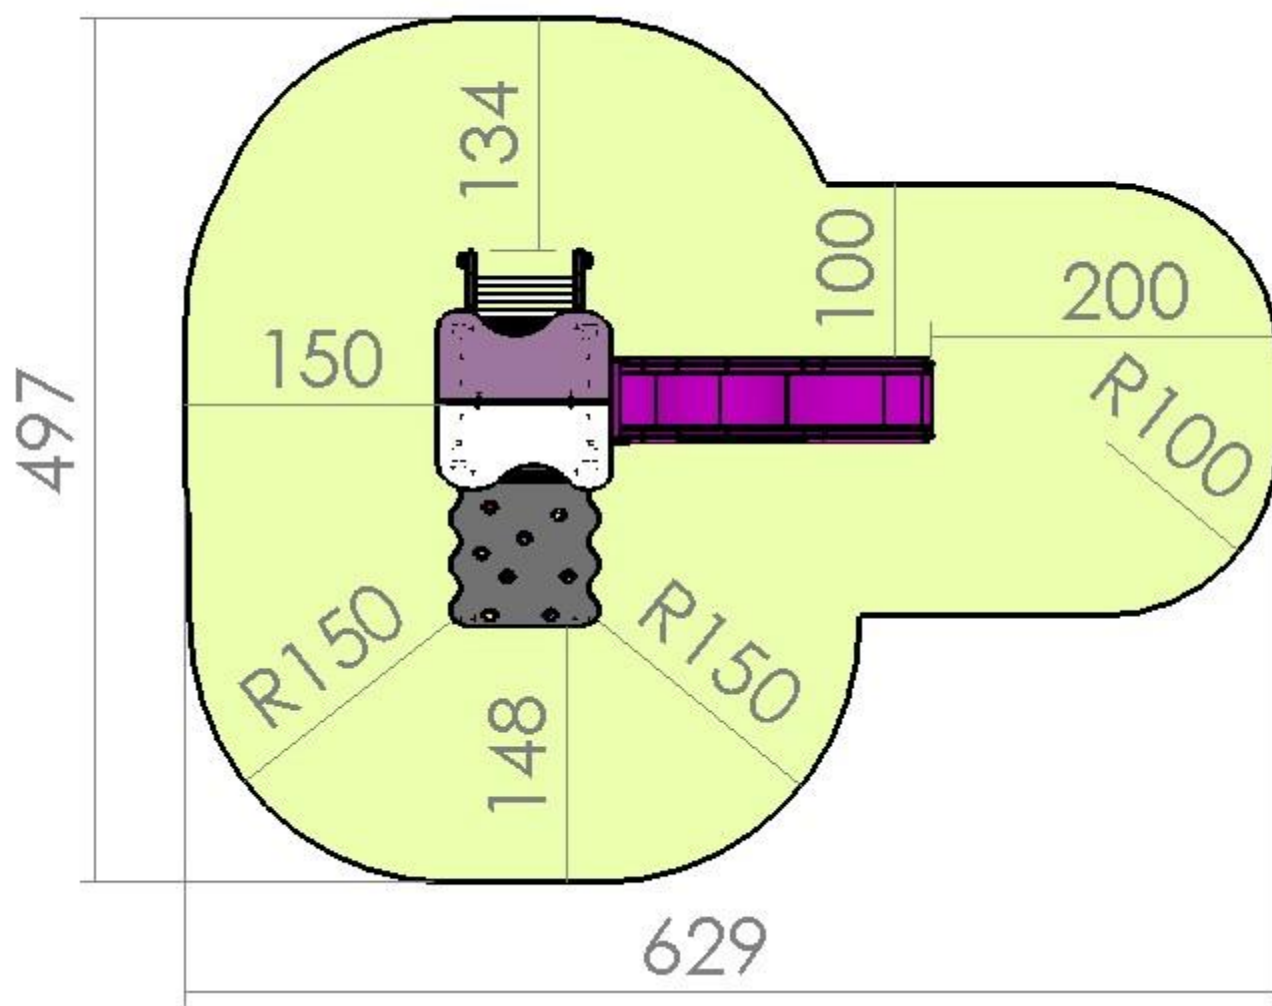

Combined playground equipment, model KD04

Dimensions of the Equipment and Minimum Space for Placement

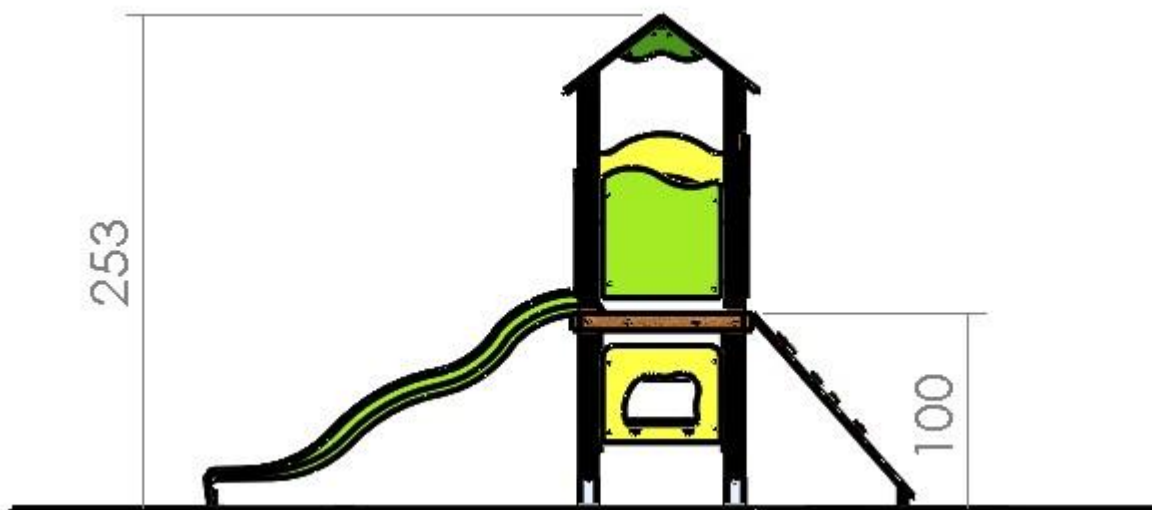

Зона на падане - 25 м2

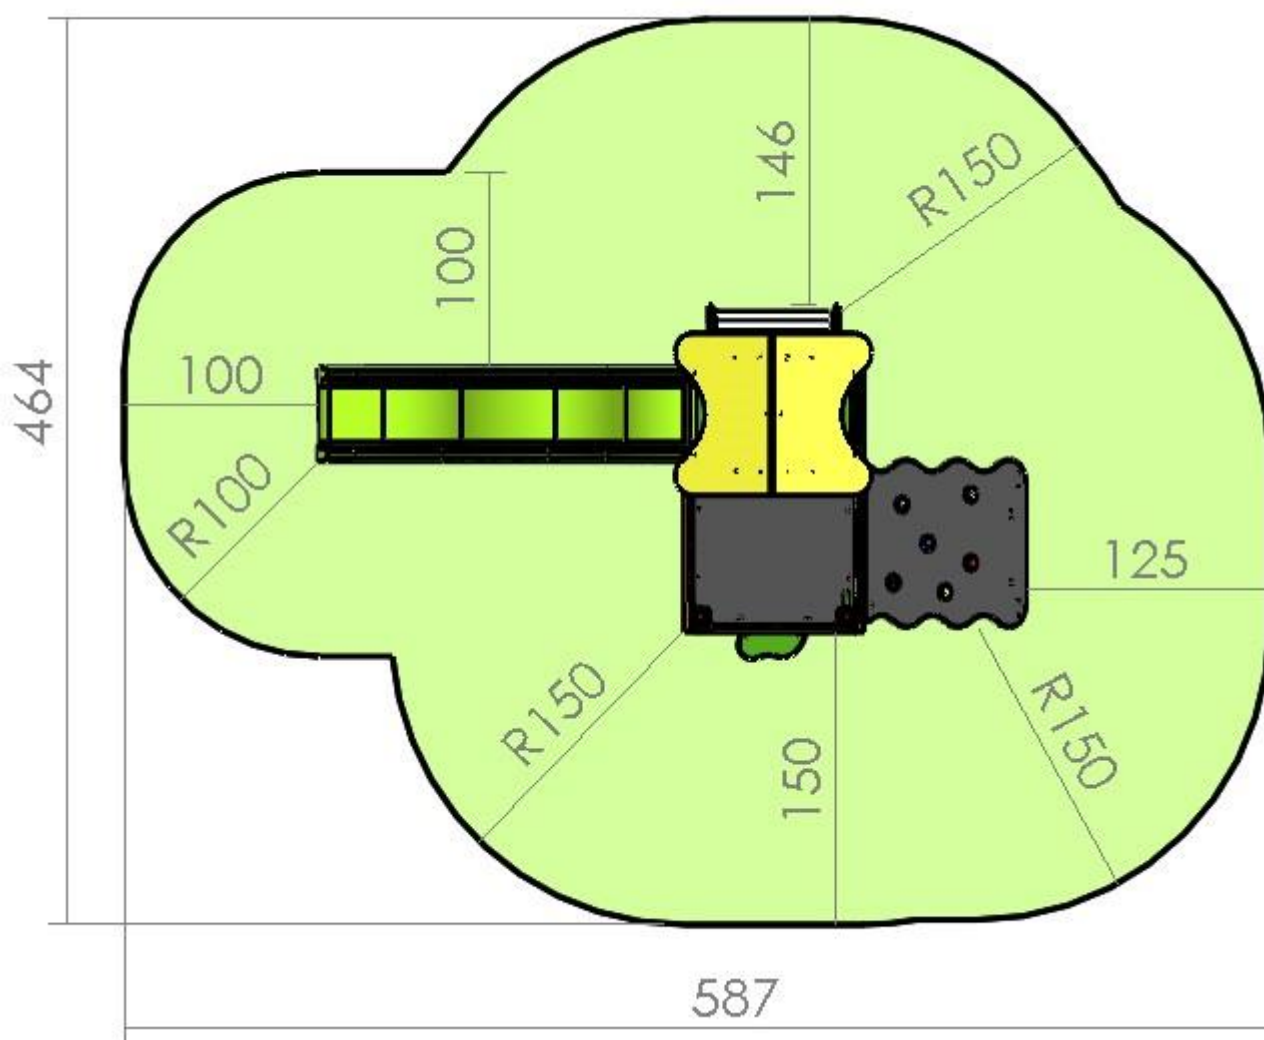

Combined playground equipment, model KD05

Dimensions of the Equipment and Minimum Space for Placement

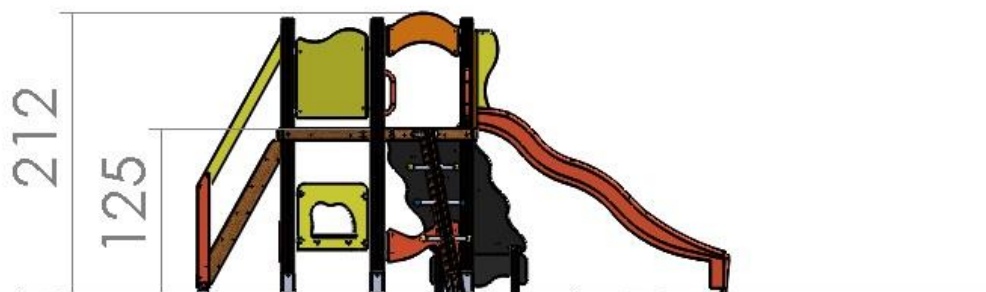

Зона на падане - 23 м2

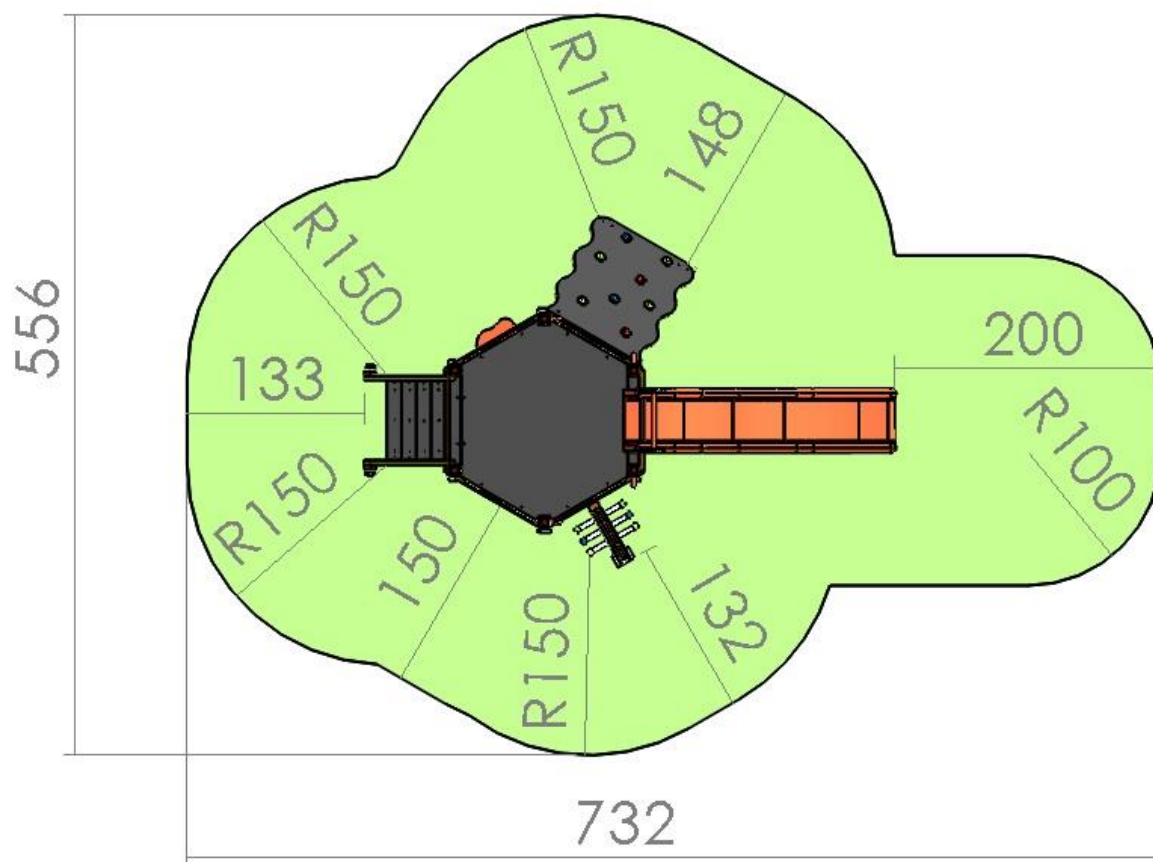

Combined playground equipment, model KD06

Dimensions of the Equipment and Minimum Space for Placement

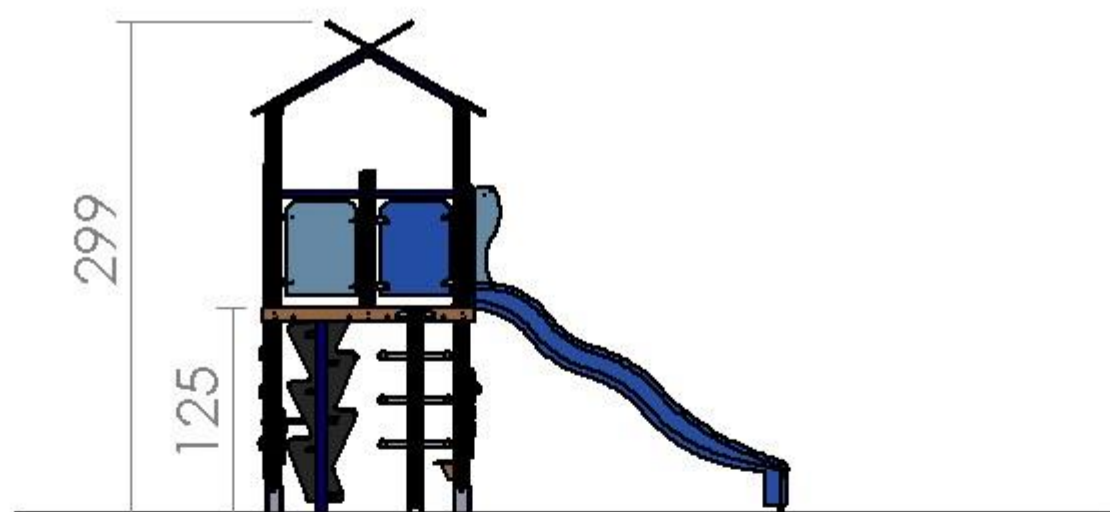

Зона на падане - 30 м2

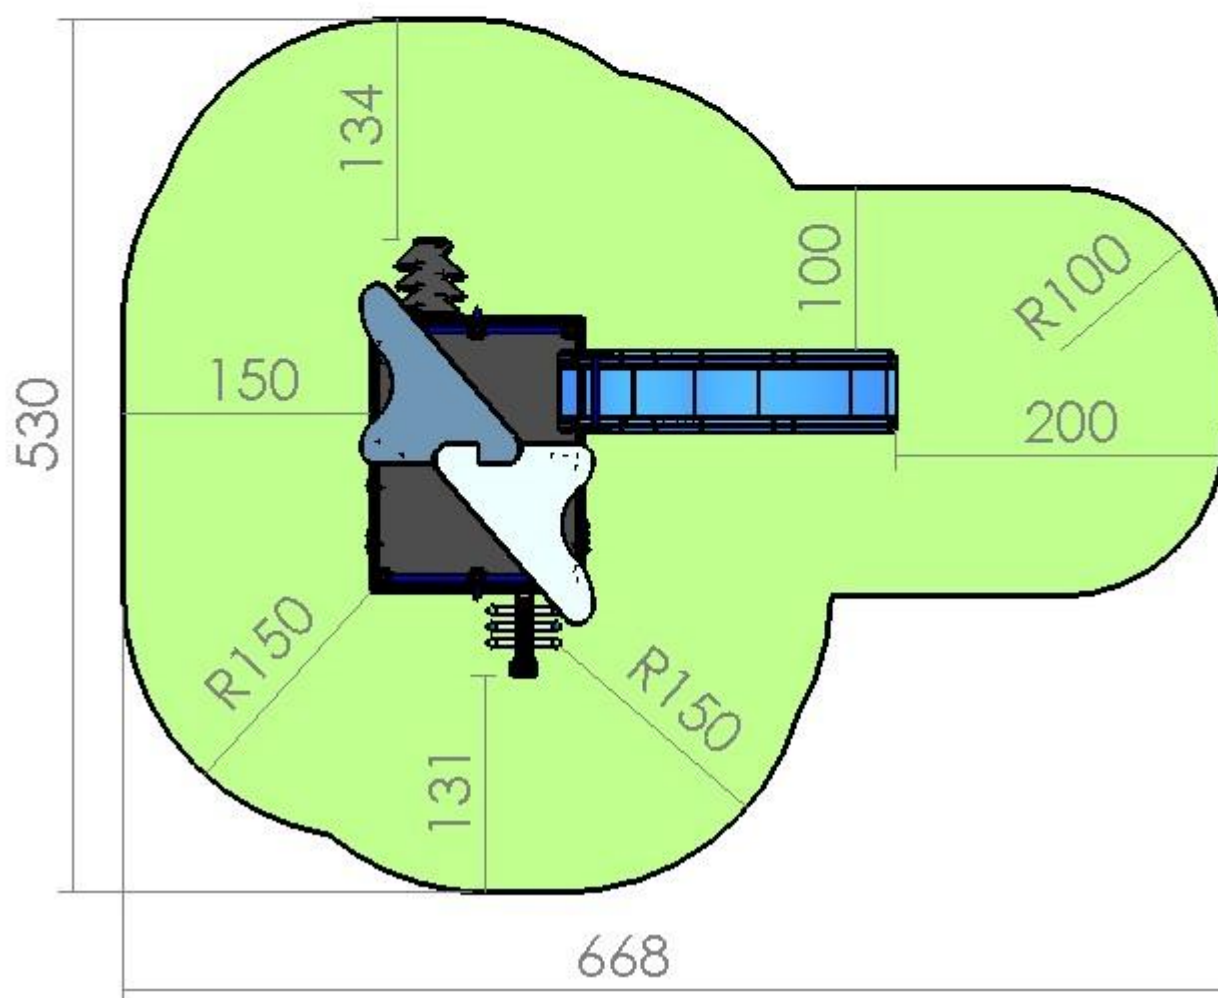

Combined playground equipment, model KD07

Dimensions of the Equipment and Minimum Space for Placement

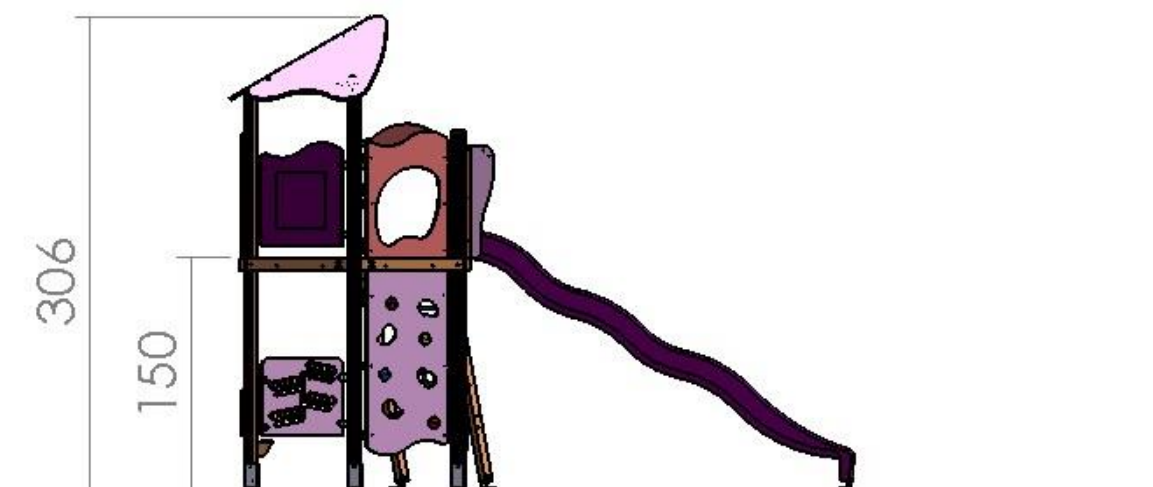

Зона на падане - 28 м2

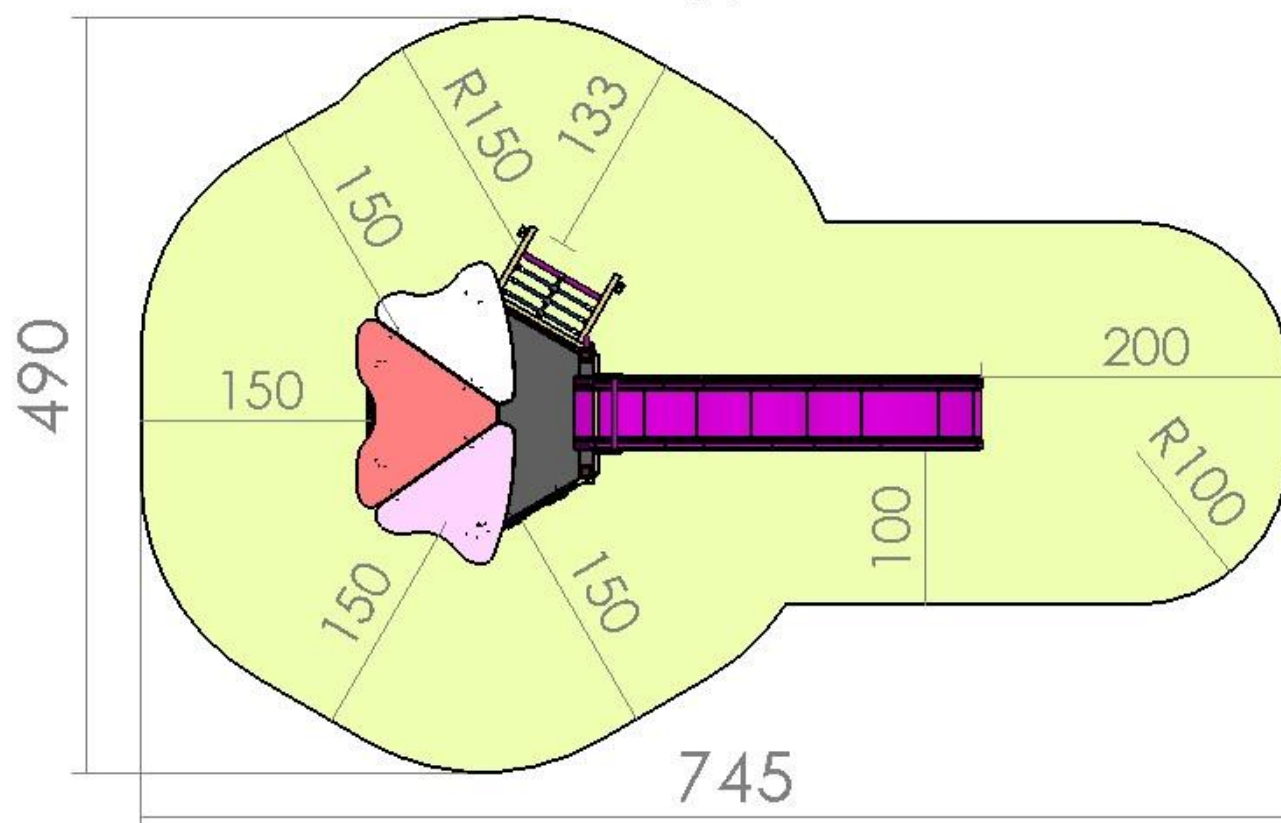

Combined playground equipment, model KD08

Dimensions of the Equipment and Minimum Space for Placement

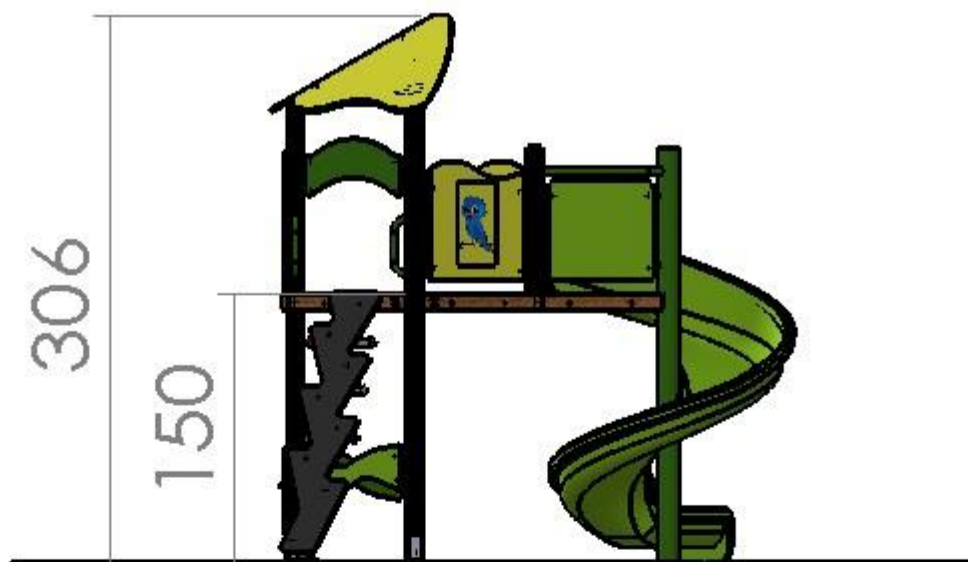

Зона на падане - 27 м2

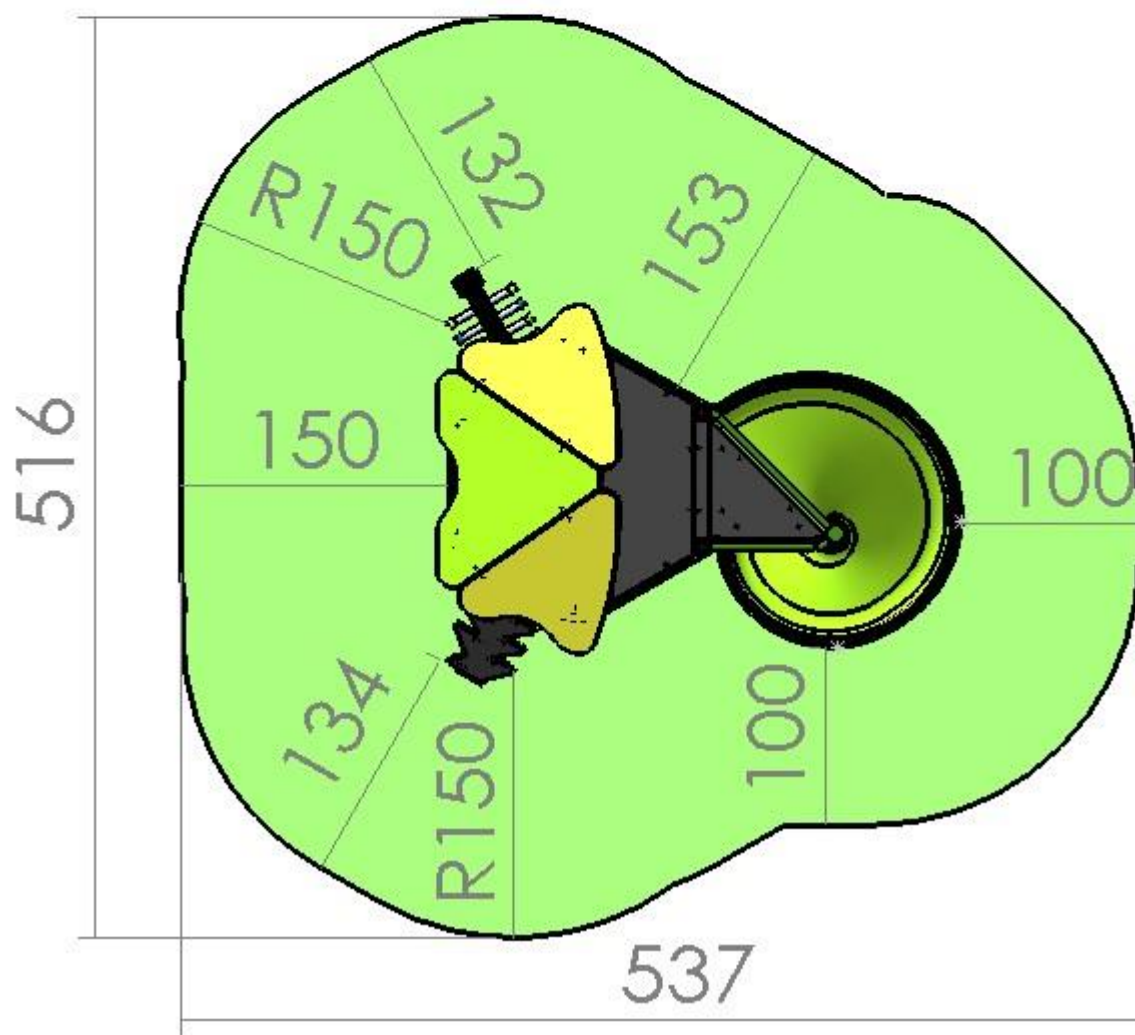

Combined playground equipment, model KD09

Dimensions of the Equipment and Minimum Space for Placement

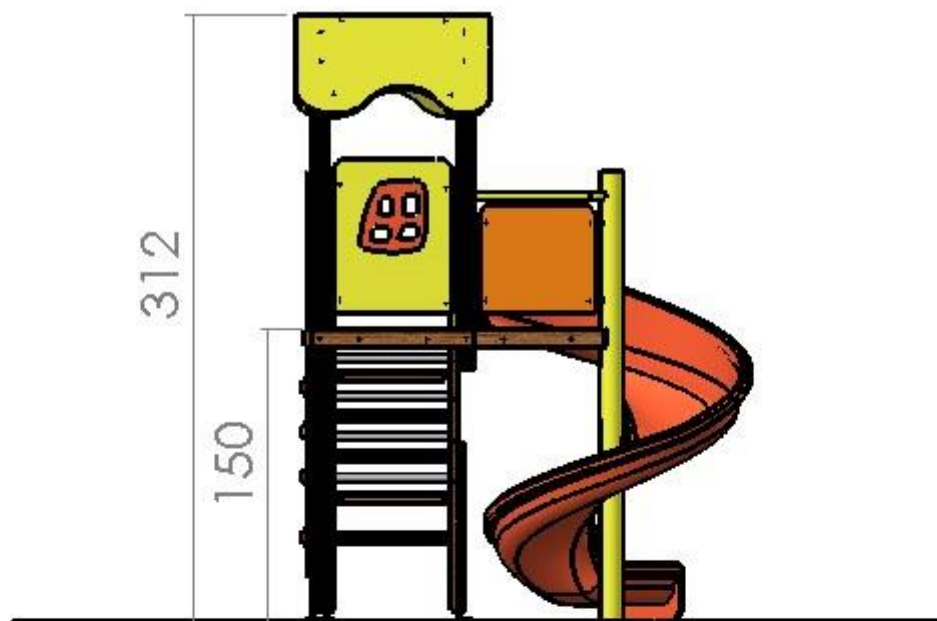

Зона на падане - 24 м2

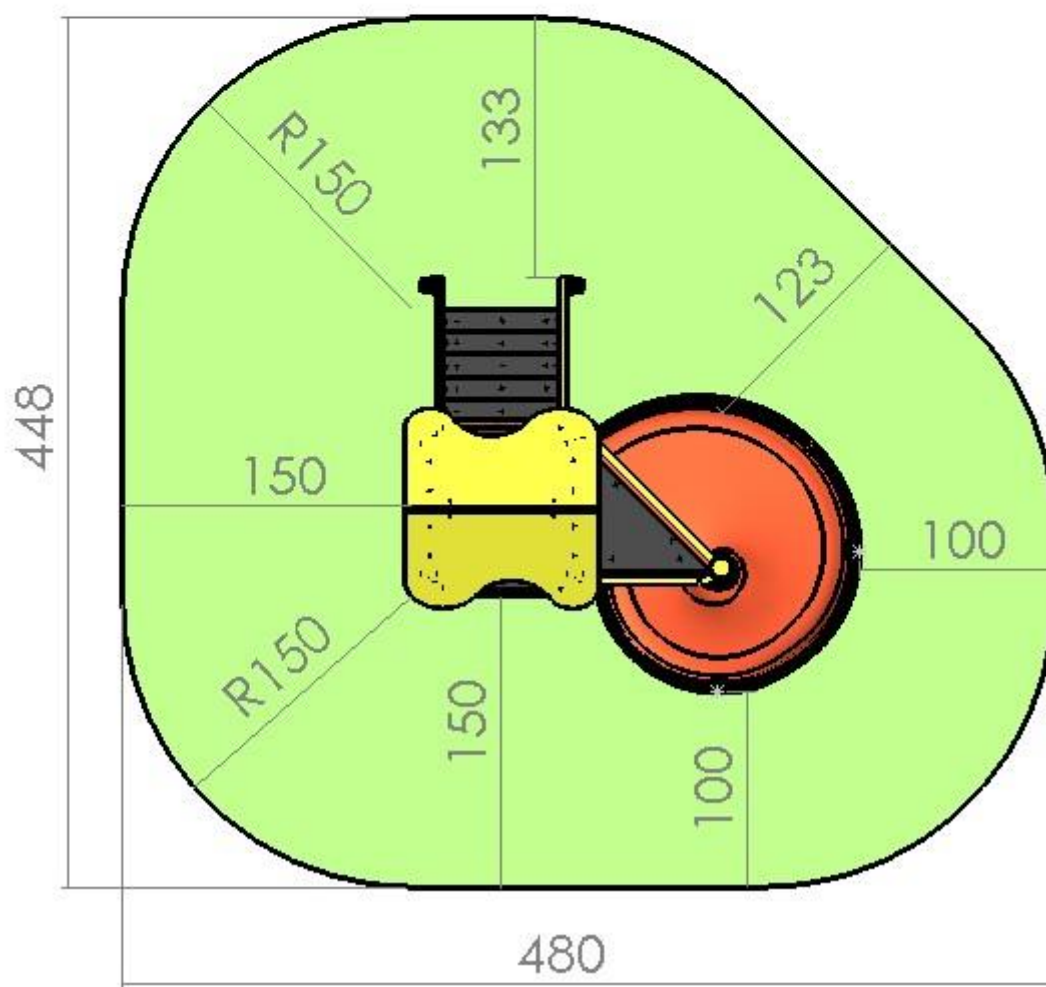

Combined playground equipment, model KD10

Dimensions of the Equipment and Minimum Space for Placement

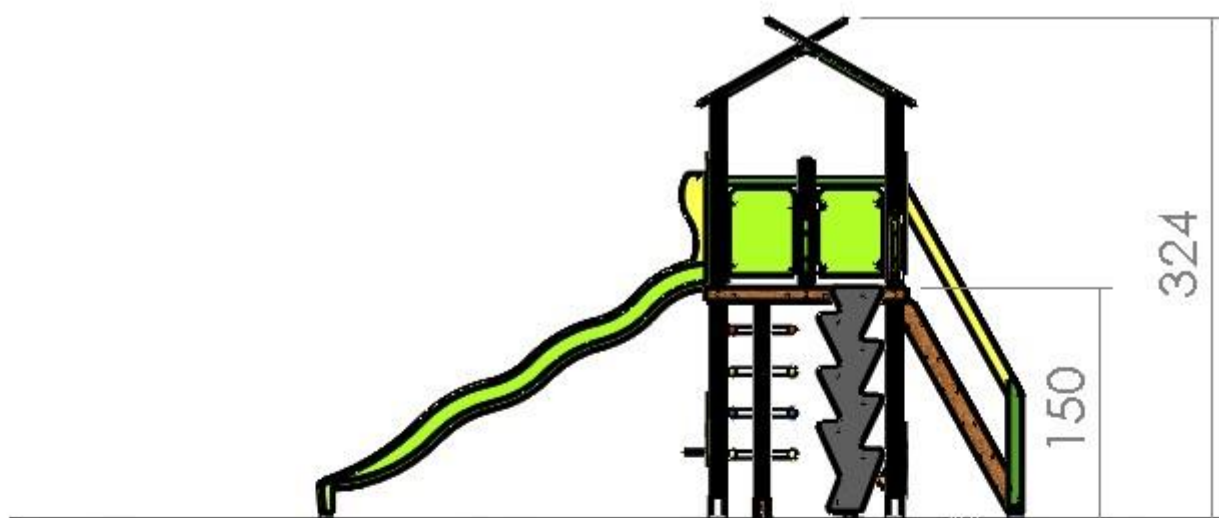

Зона на падане - 20 м²

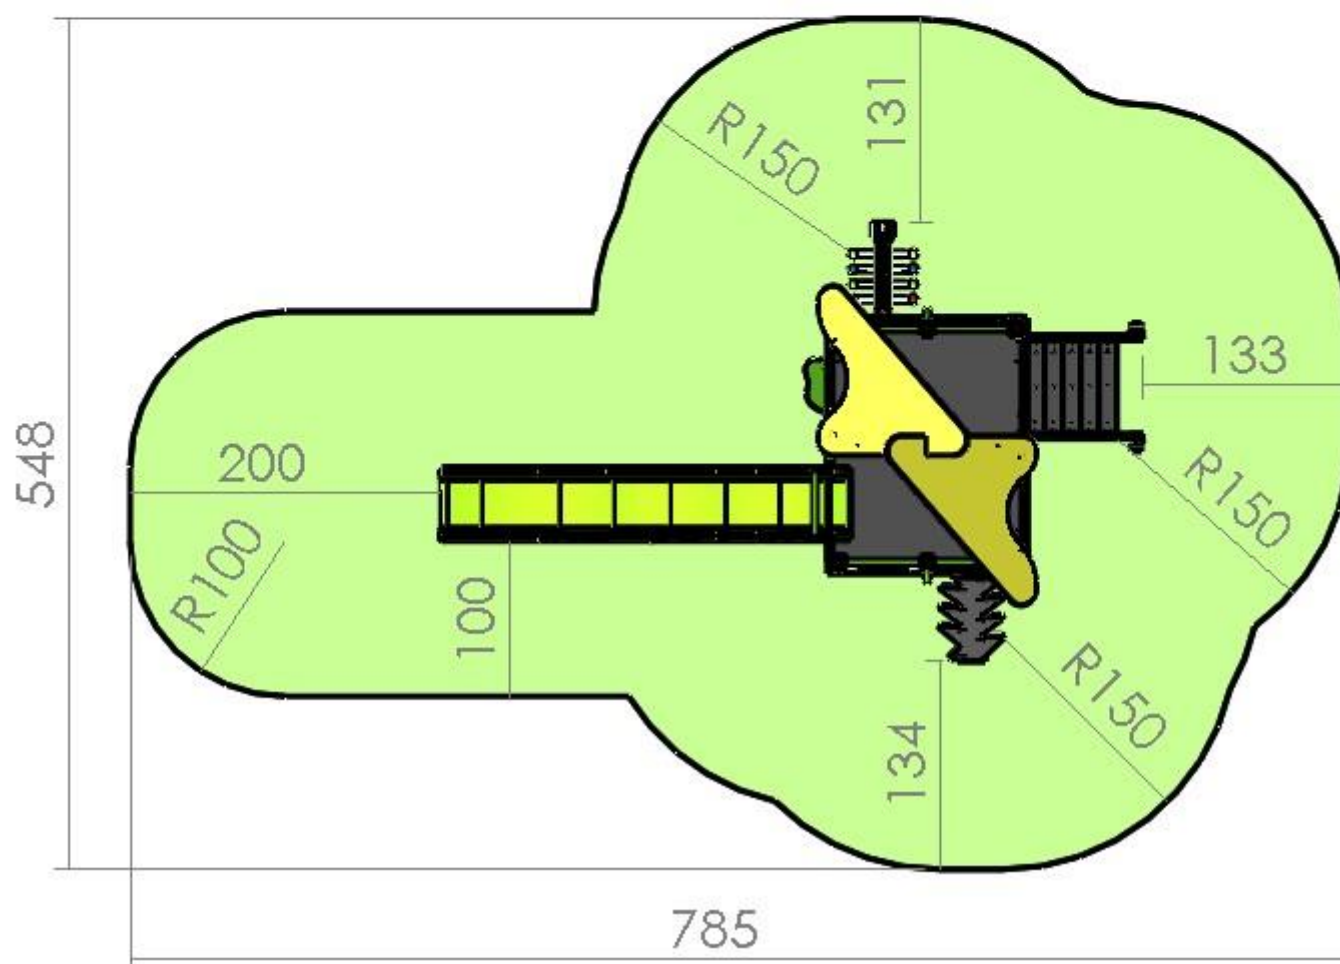

Combined playground equipment, model KD11

Dimensions of the Equipment and Minimum Space for Placement

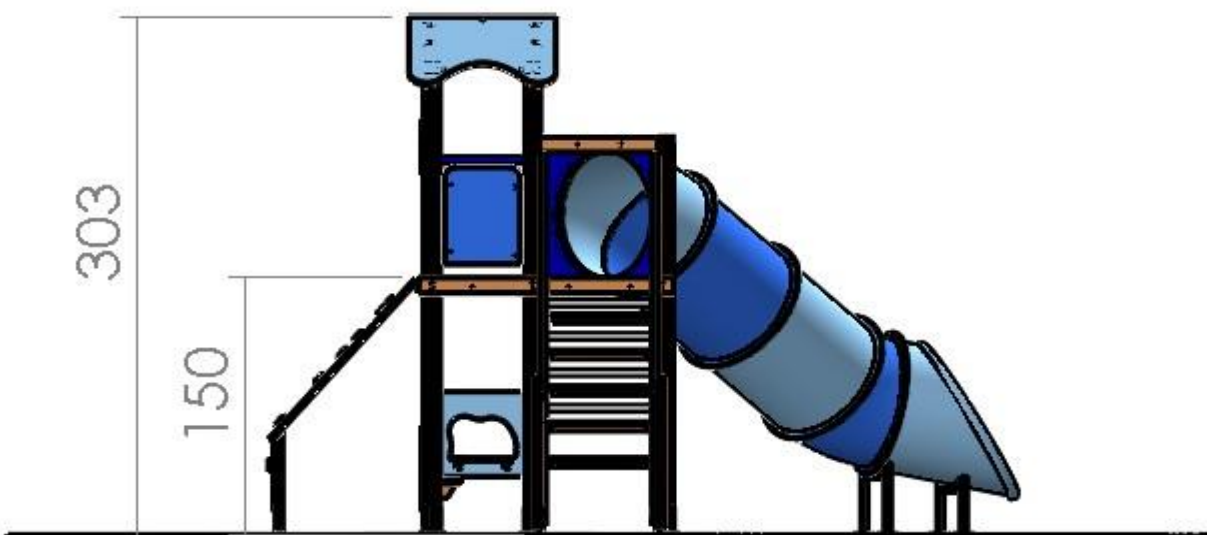

Зона на падане - 32 м²

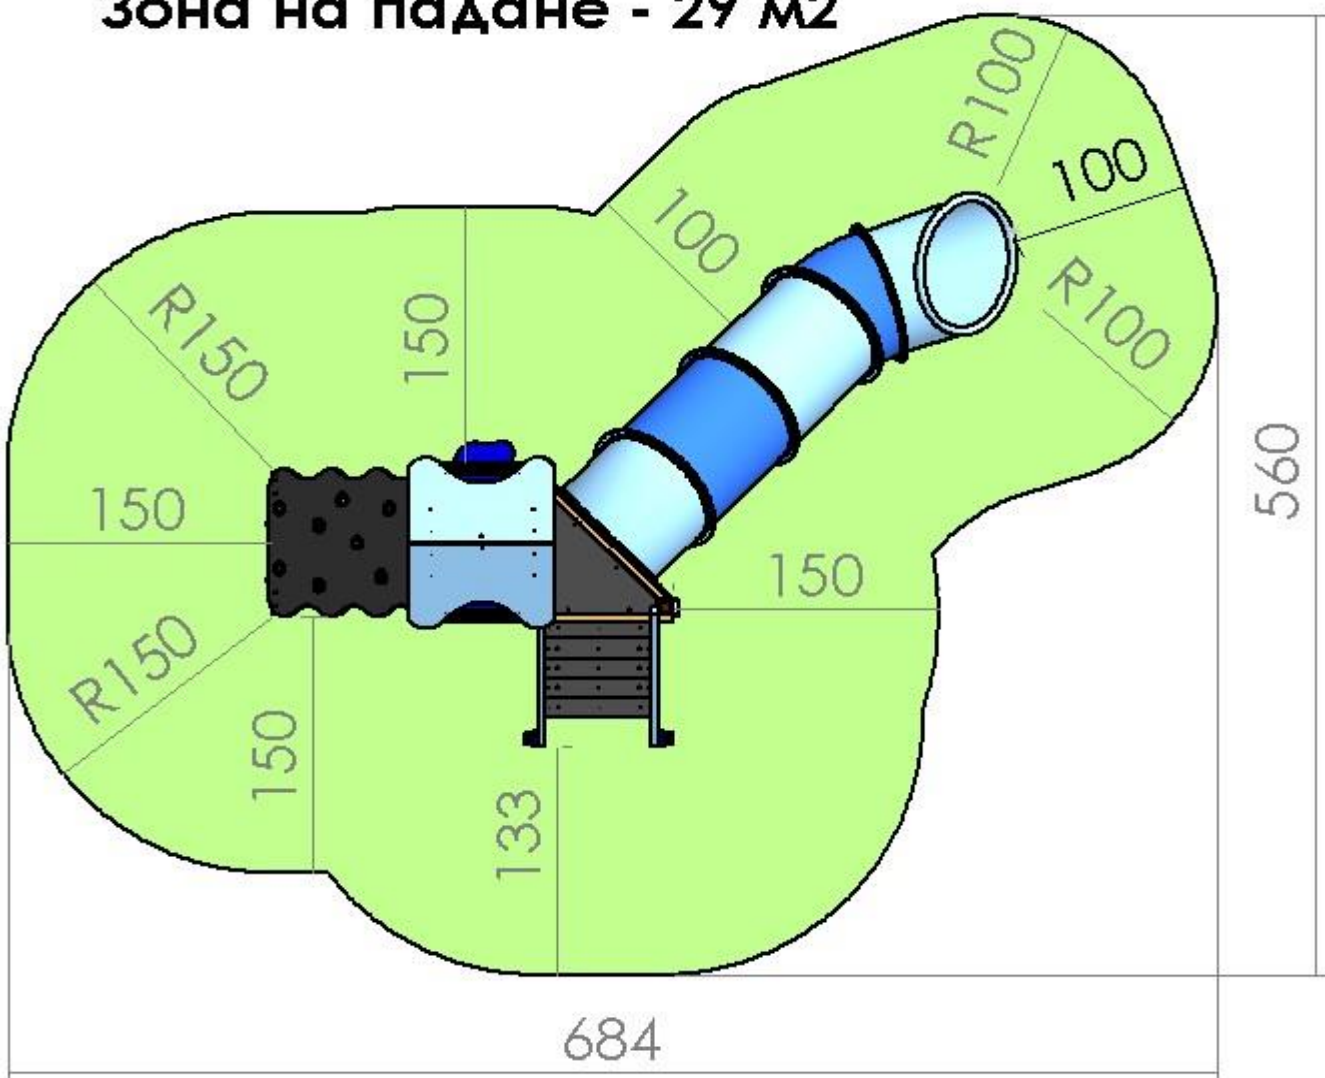

Combined playground equipment, model KD12

Dimensions of the Equipment and Minimum Space for Placement

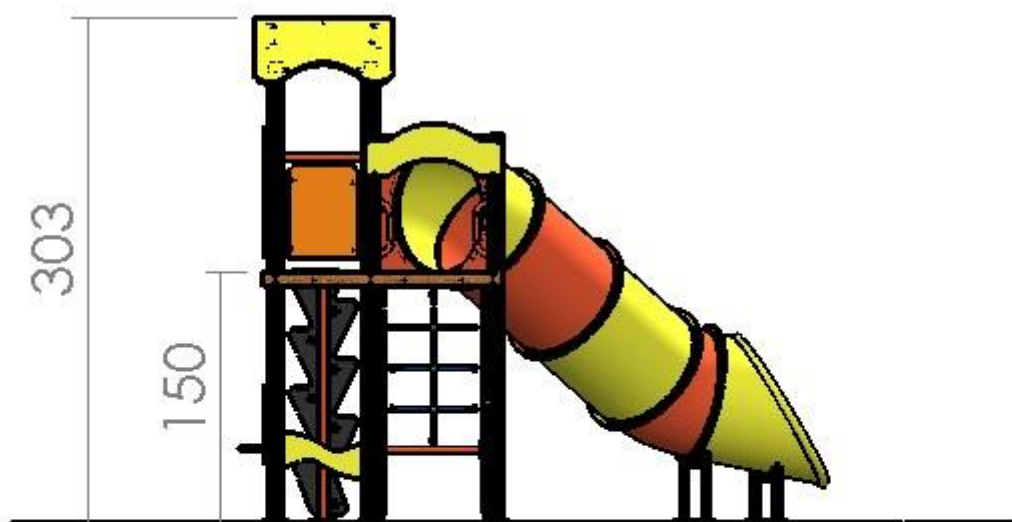

Зона на падане - 29 м2

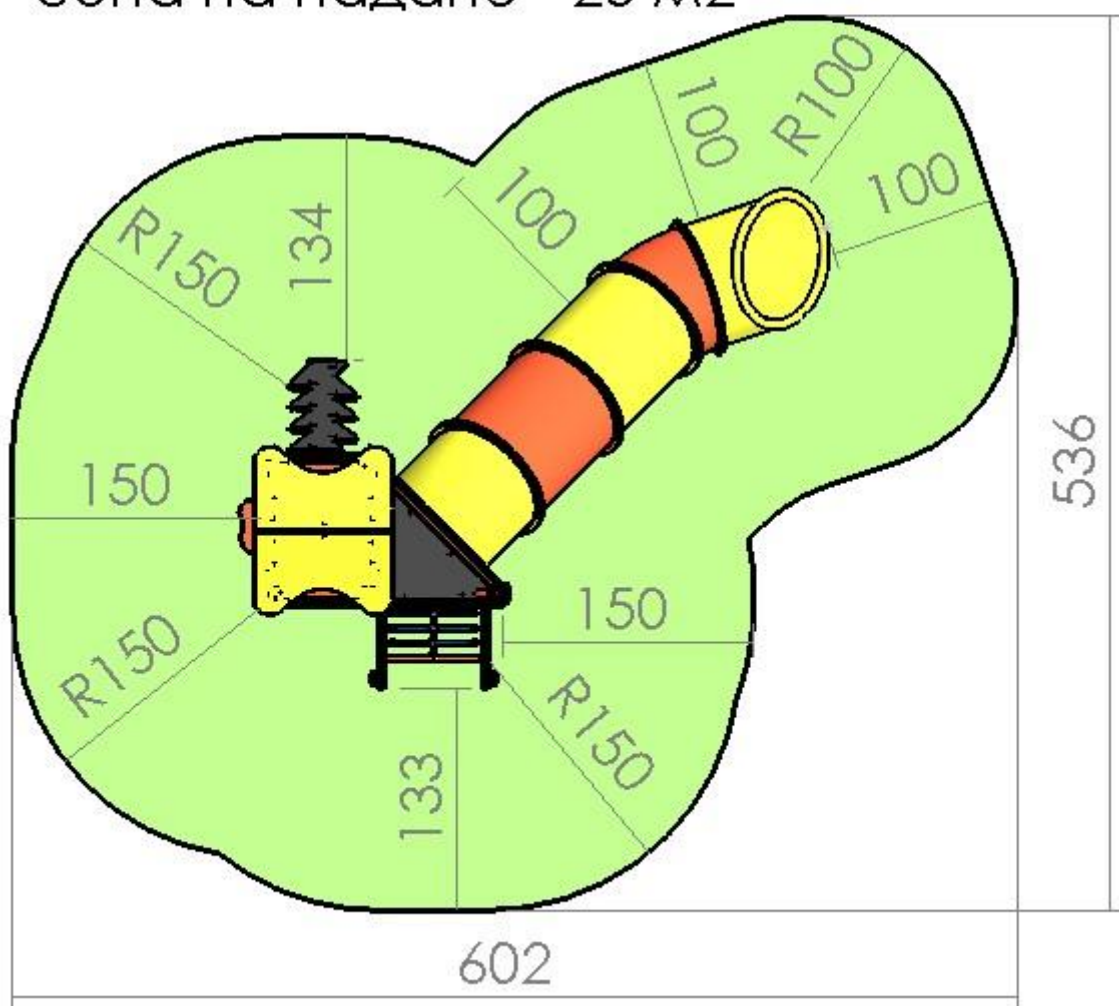

Combined playground equipment, model KD13

Dimensions of the Equipment and Minimum Space for Placement

Зона на падане - 25 м²

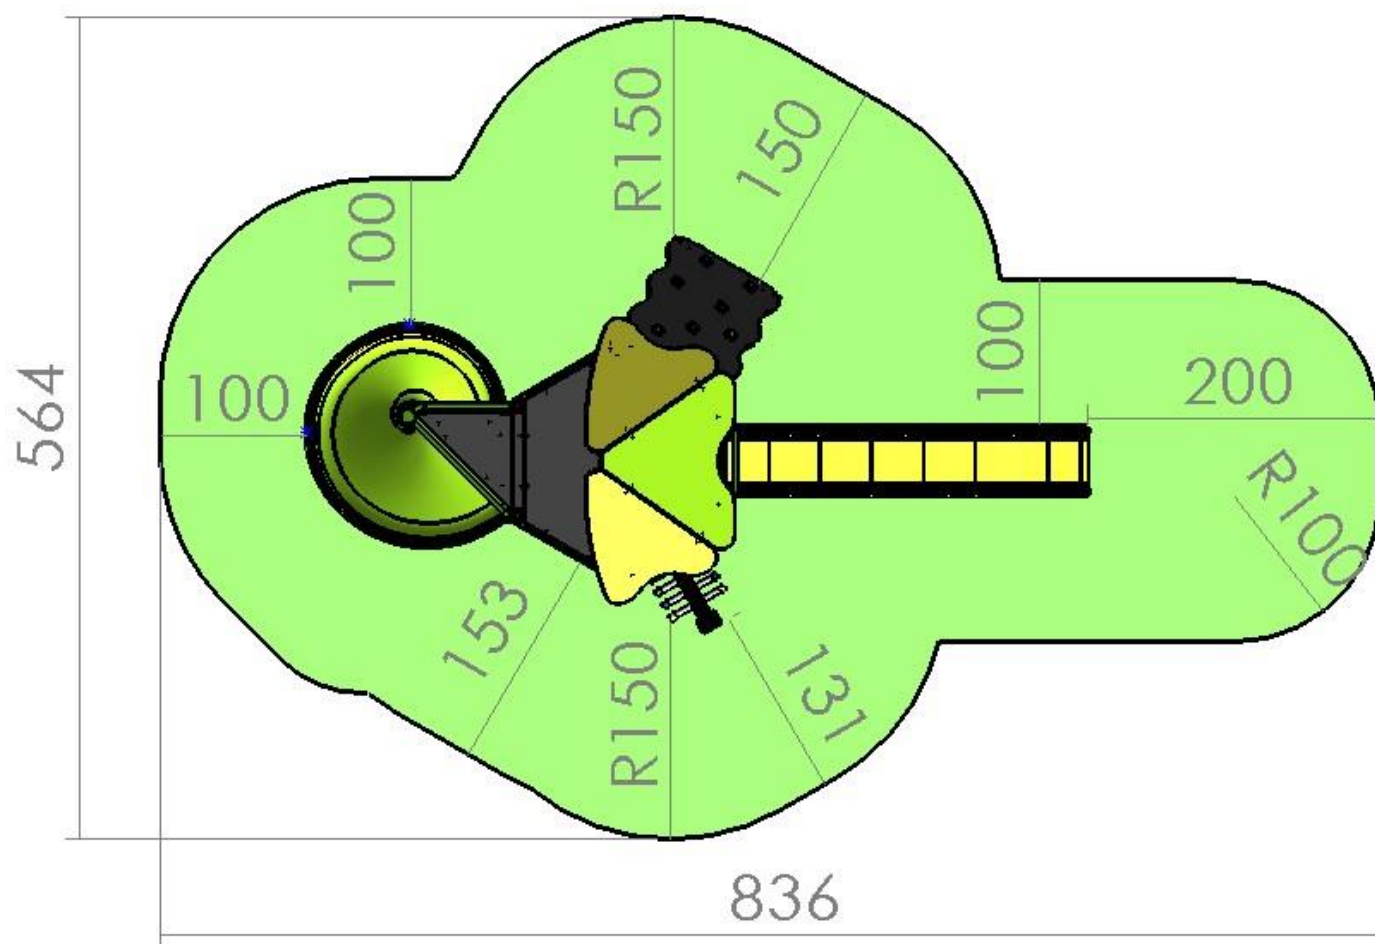

Combined playground equipment, model KD14

Dimensions of the Equipment and Minimum Space for Placement

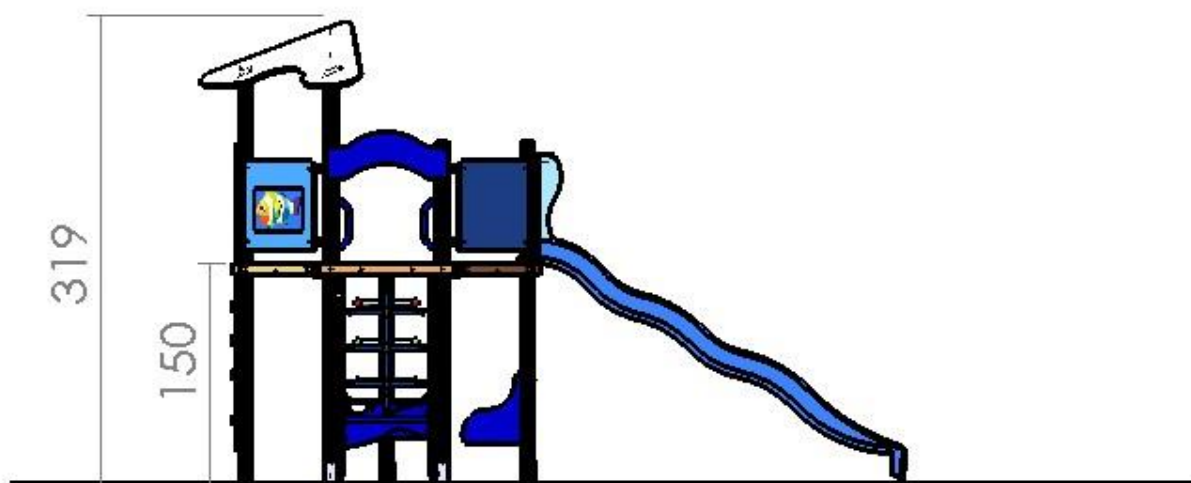

Зона на падане - 33 м2

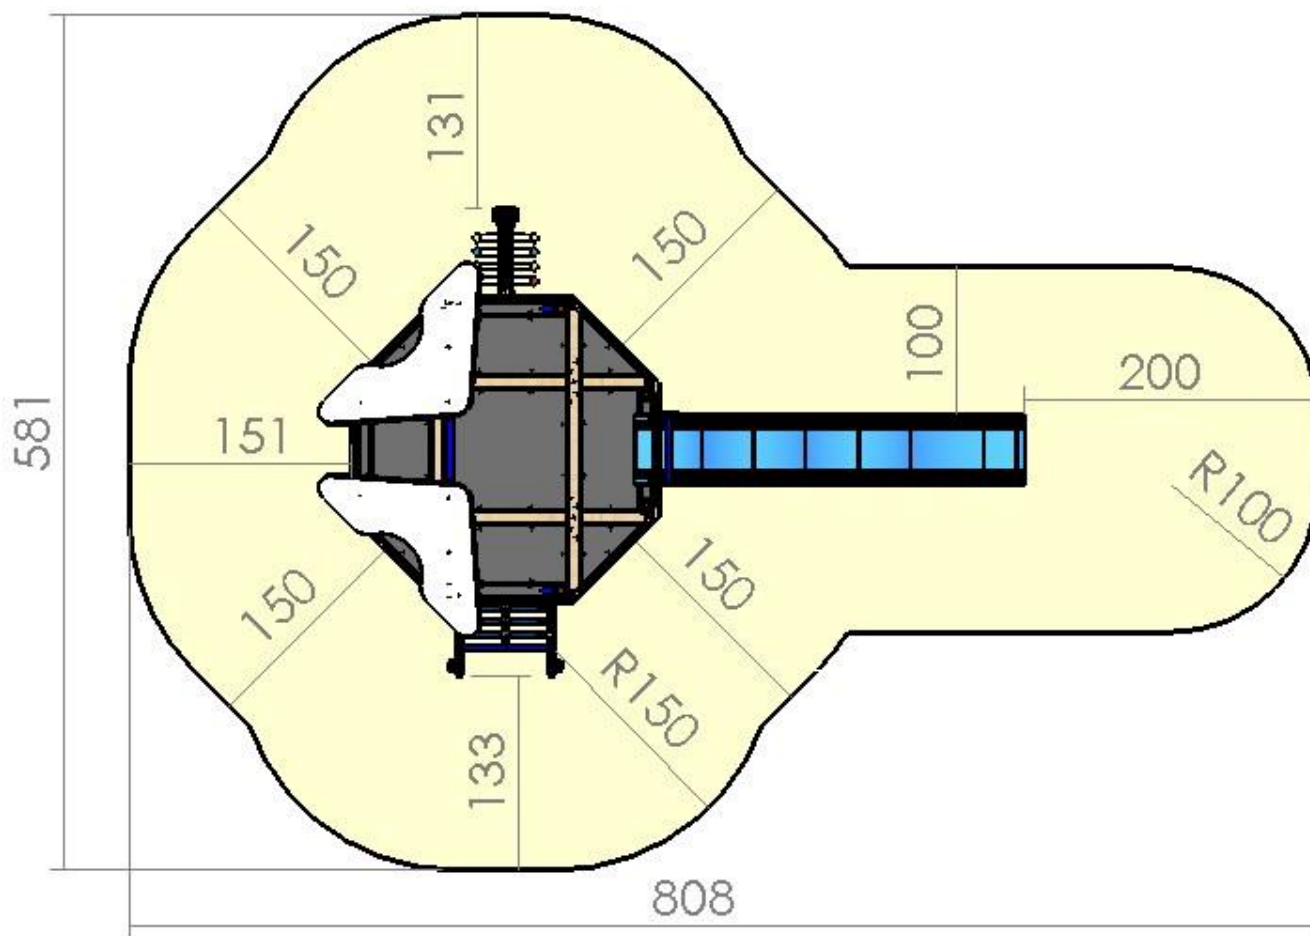

Combined playground equipment, model KD15

Dimensions of the Equipment and Minimum Space for Placement

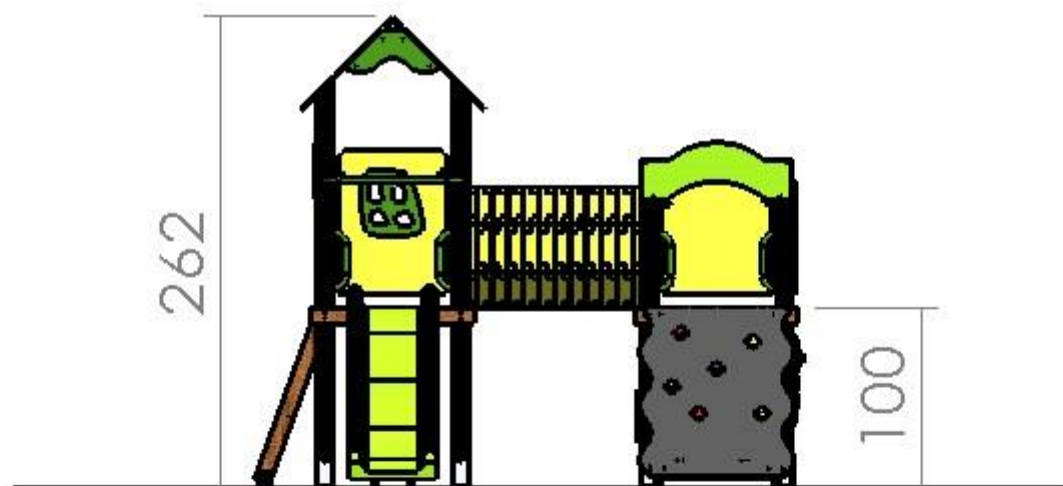

Зона на падане - 33 м2

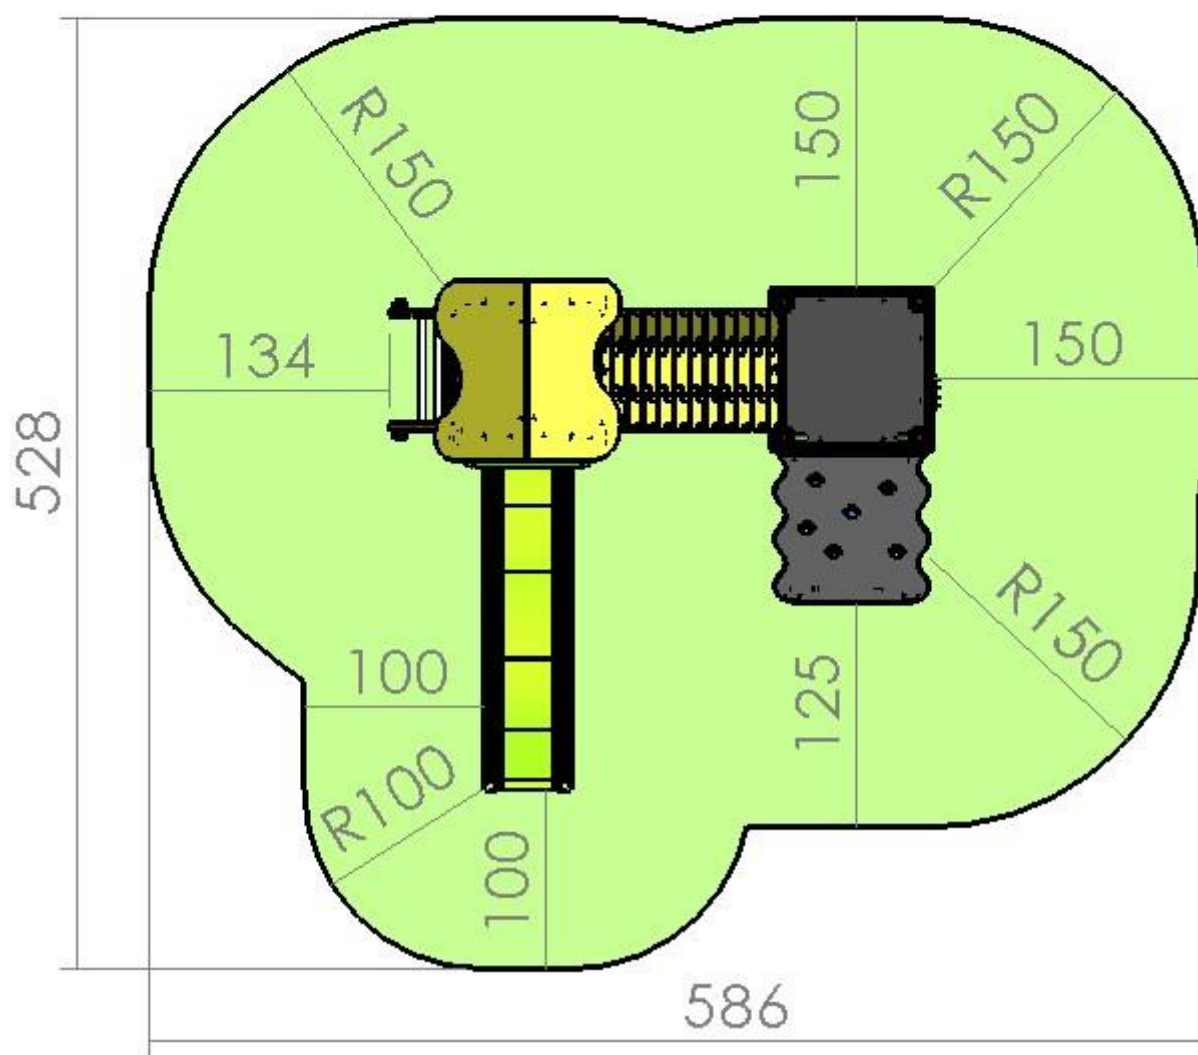

Combined playground equipment, model KD16

Dimensions of the Equipment and Minimum Space for Placement

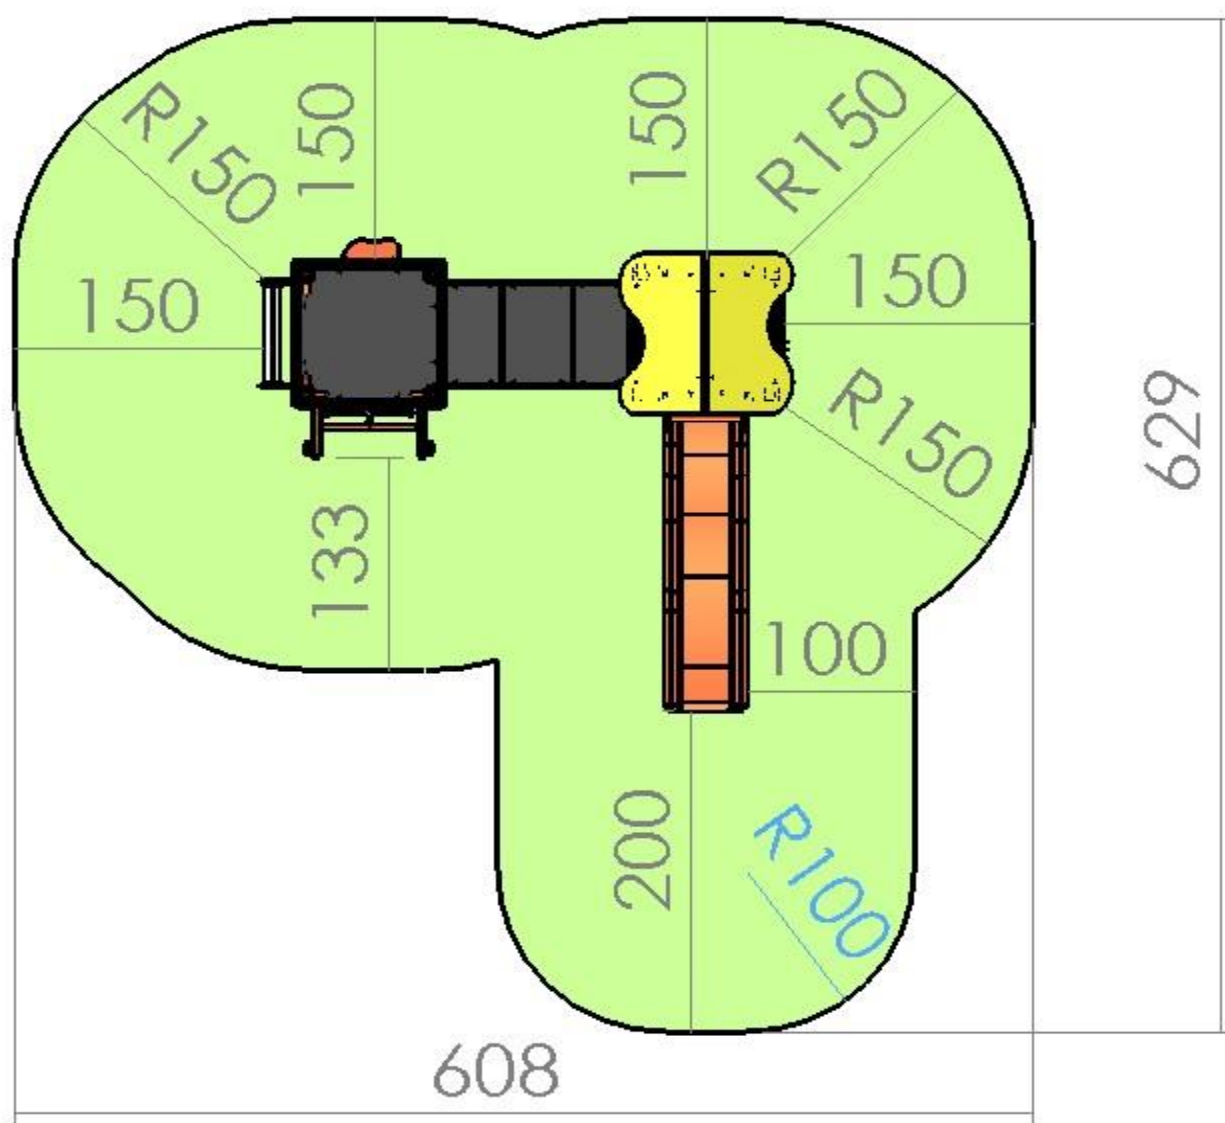

Зона на падане - 28 м2

Combined playground equipment, model KD17

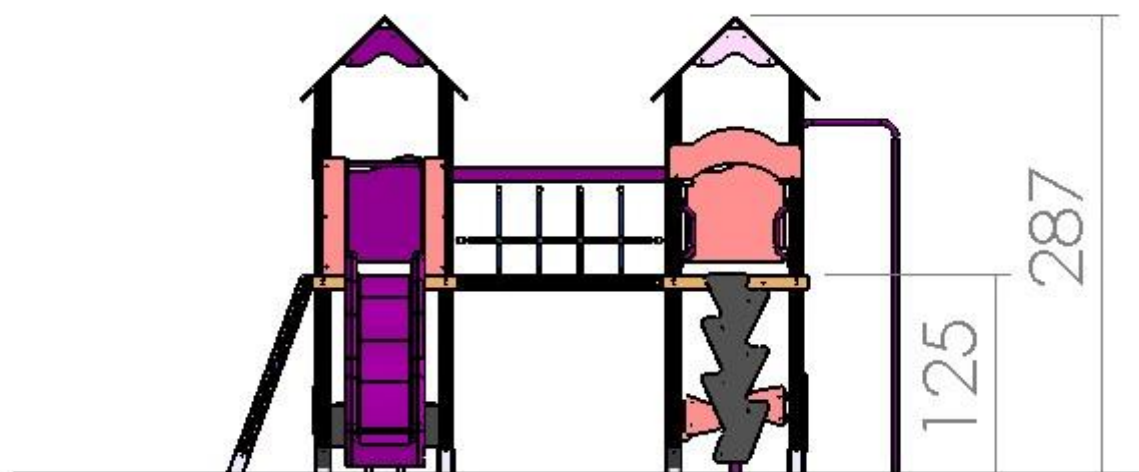

Dimensions of the Equipment and Minimum Space for Placement

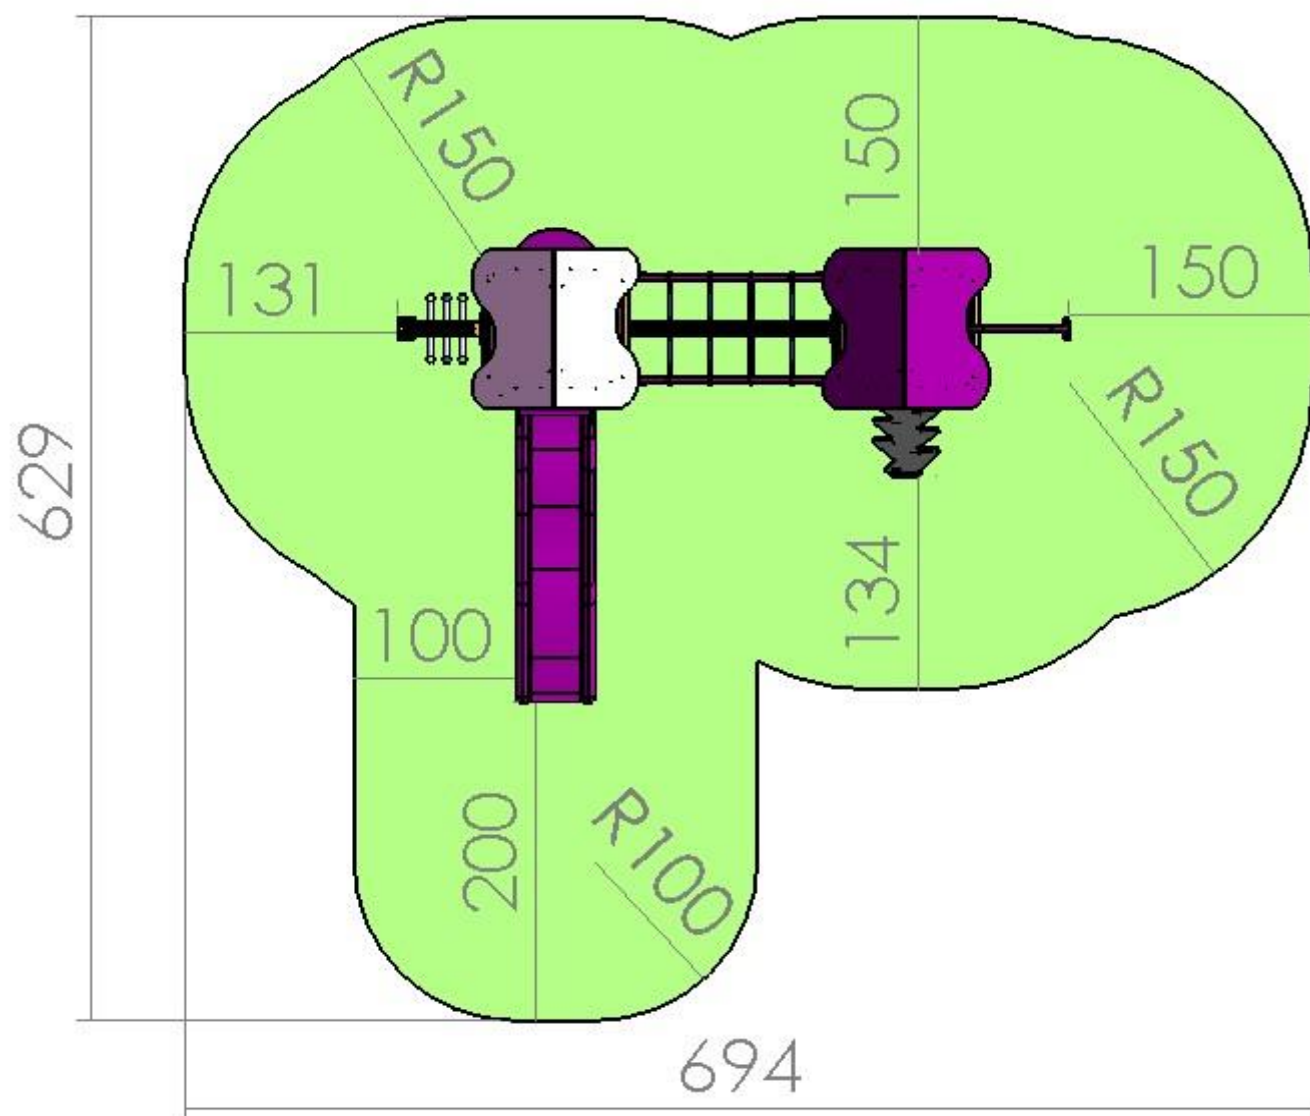

Combined playground equipment, model KD18

Dimensions of the Equipment and Minimum Space for Placement

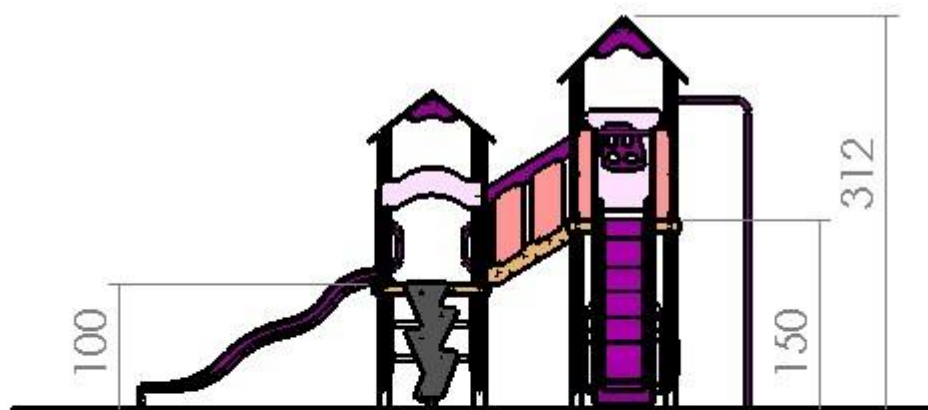

Зона на падане - 34 м2

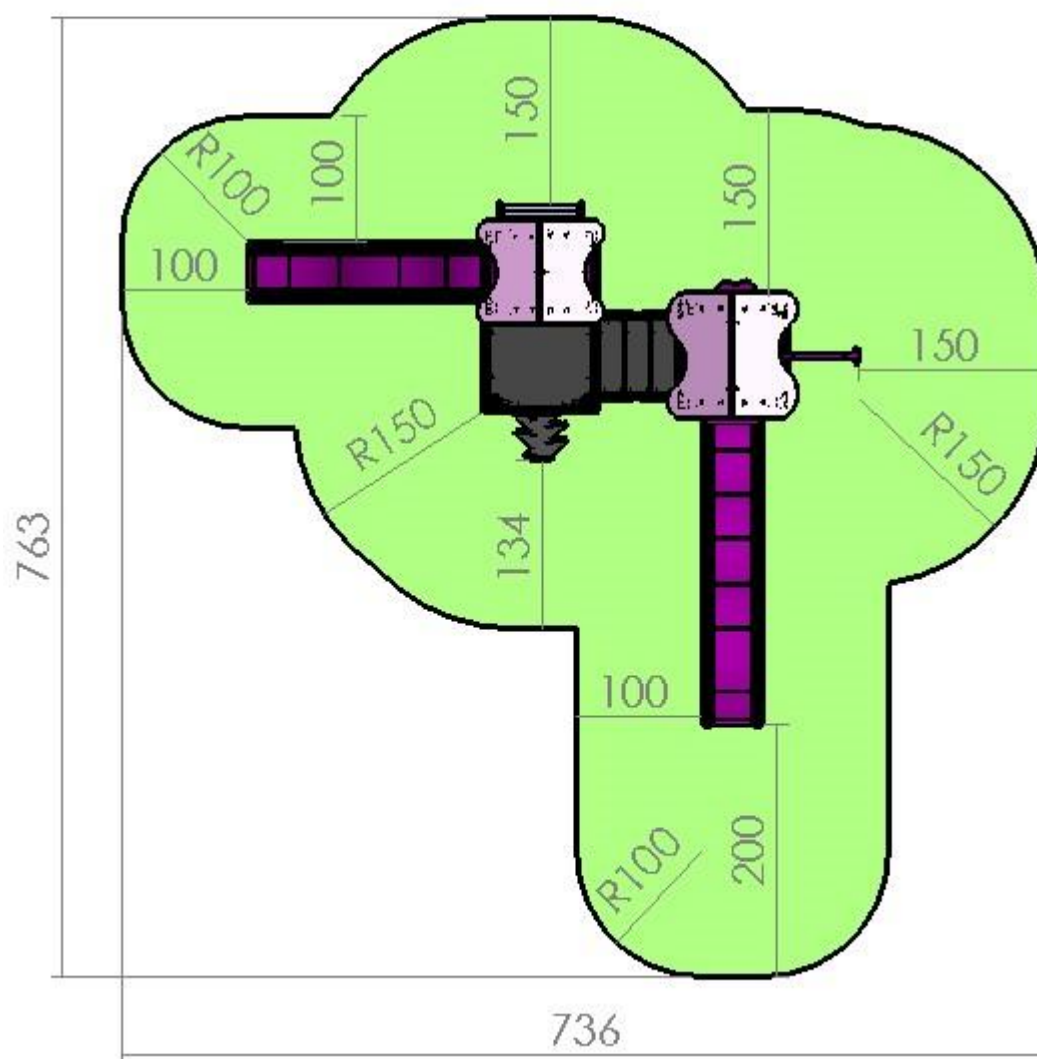

Combined playground equipment, model KD19

Dimensions of the Equipment and Minimum Space for Placement

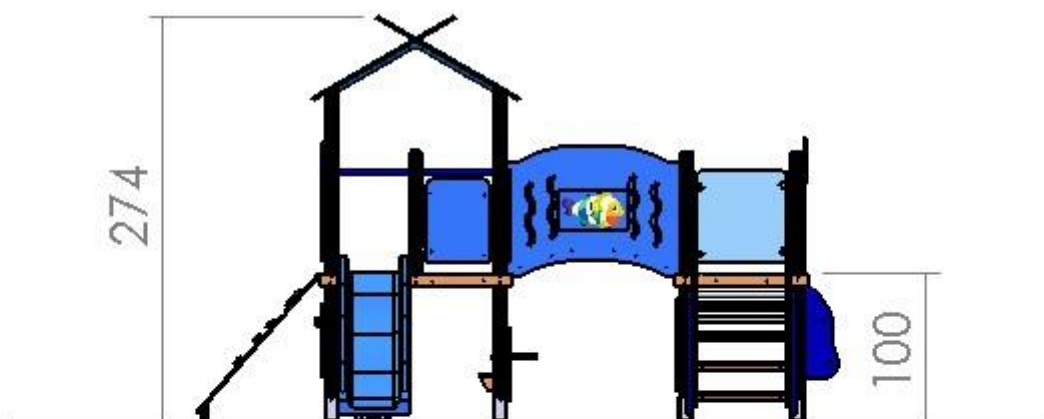

Зона на падане - 37 м2

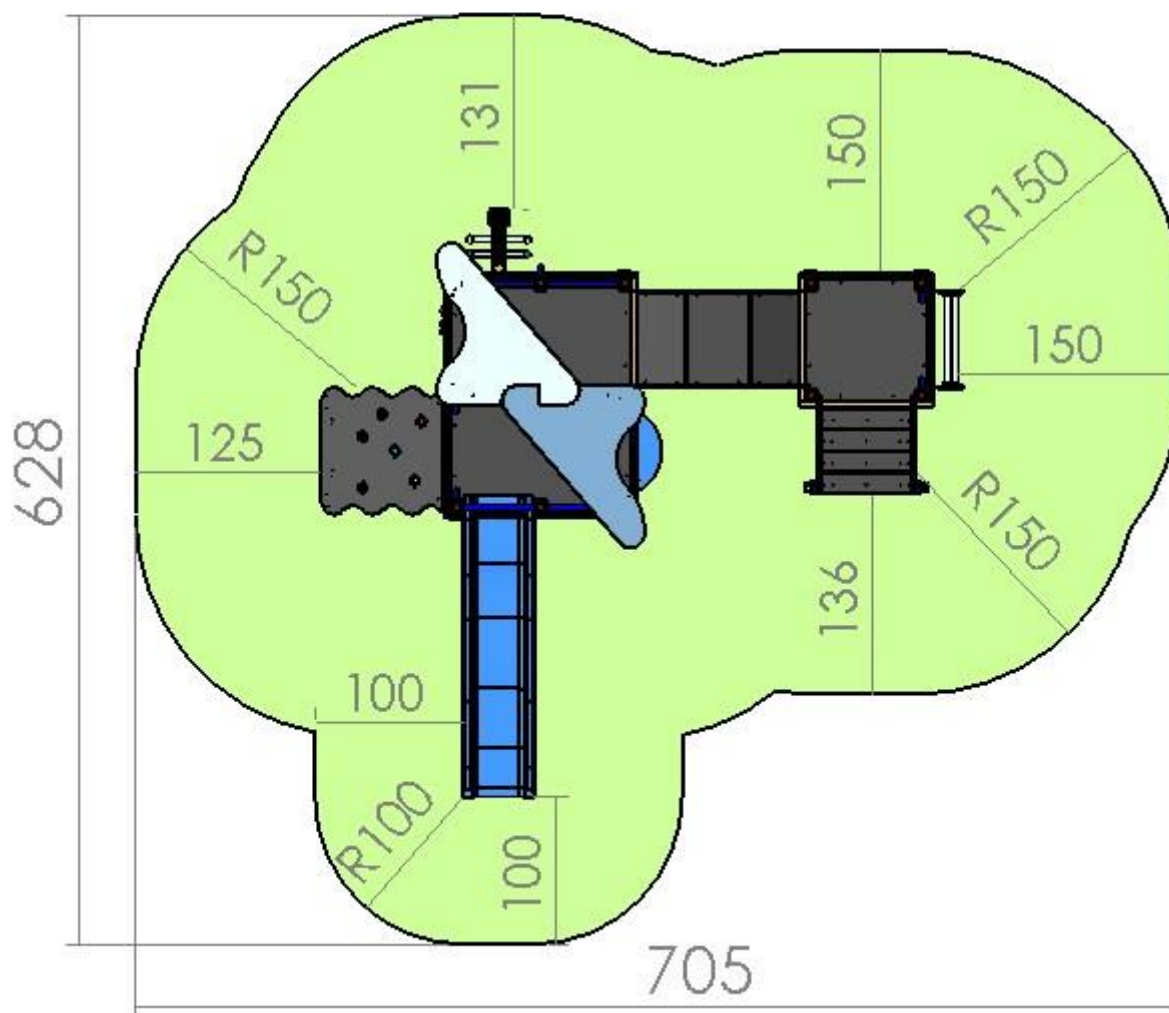

Combined playground equipment, model KD20

Dimensions of the Equipment and Minimum Space for Placement

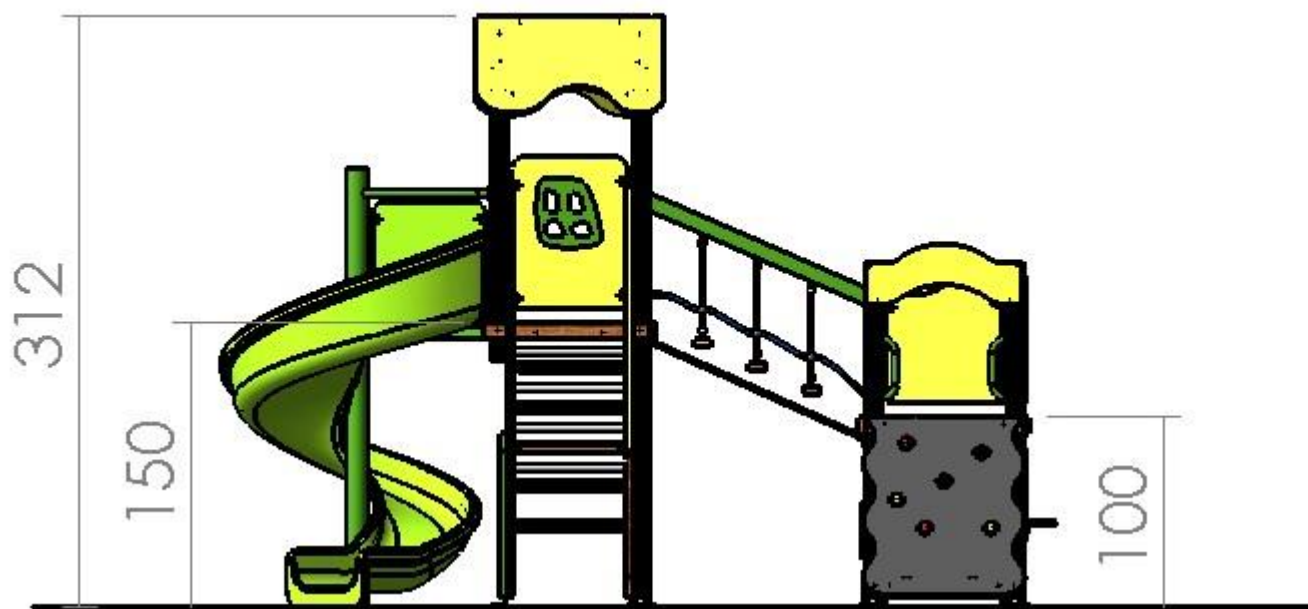

Зона на падане - 36 м²

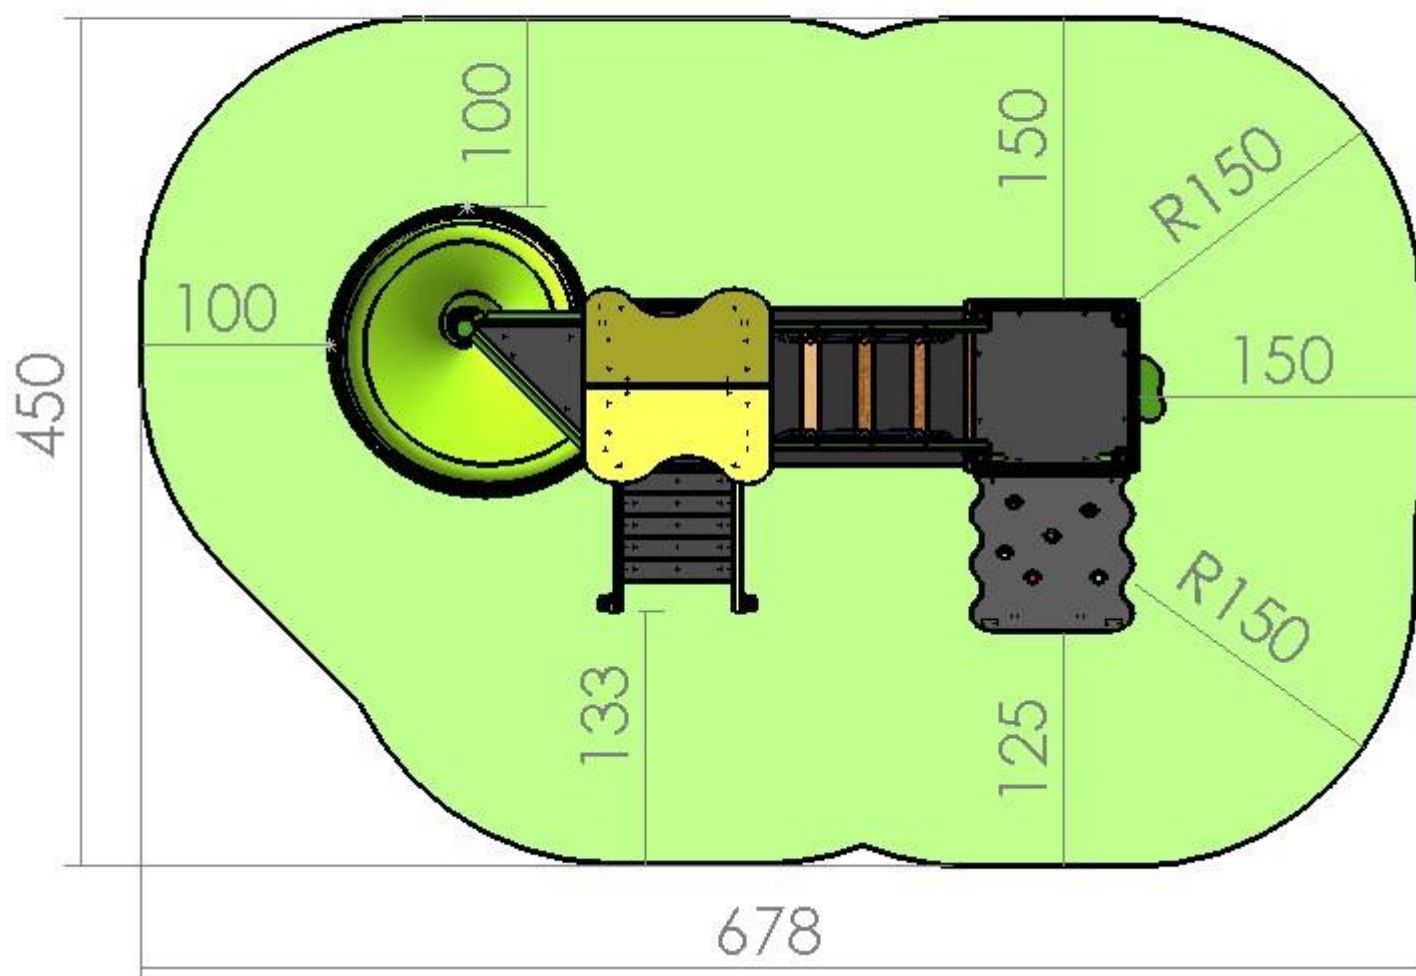

Combined playground equipment, model KD21

Dimensions of the Equipment and Minimum Space for Placement

Зона на падане - 30 м2

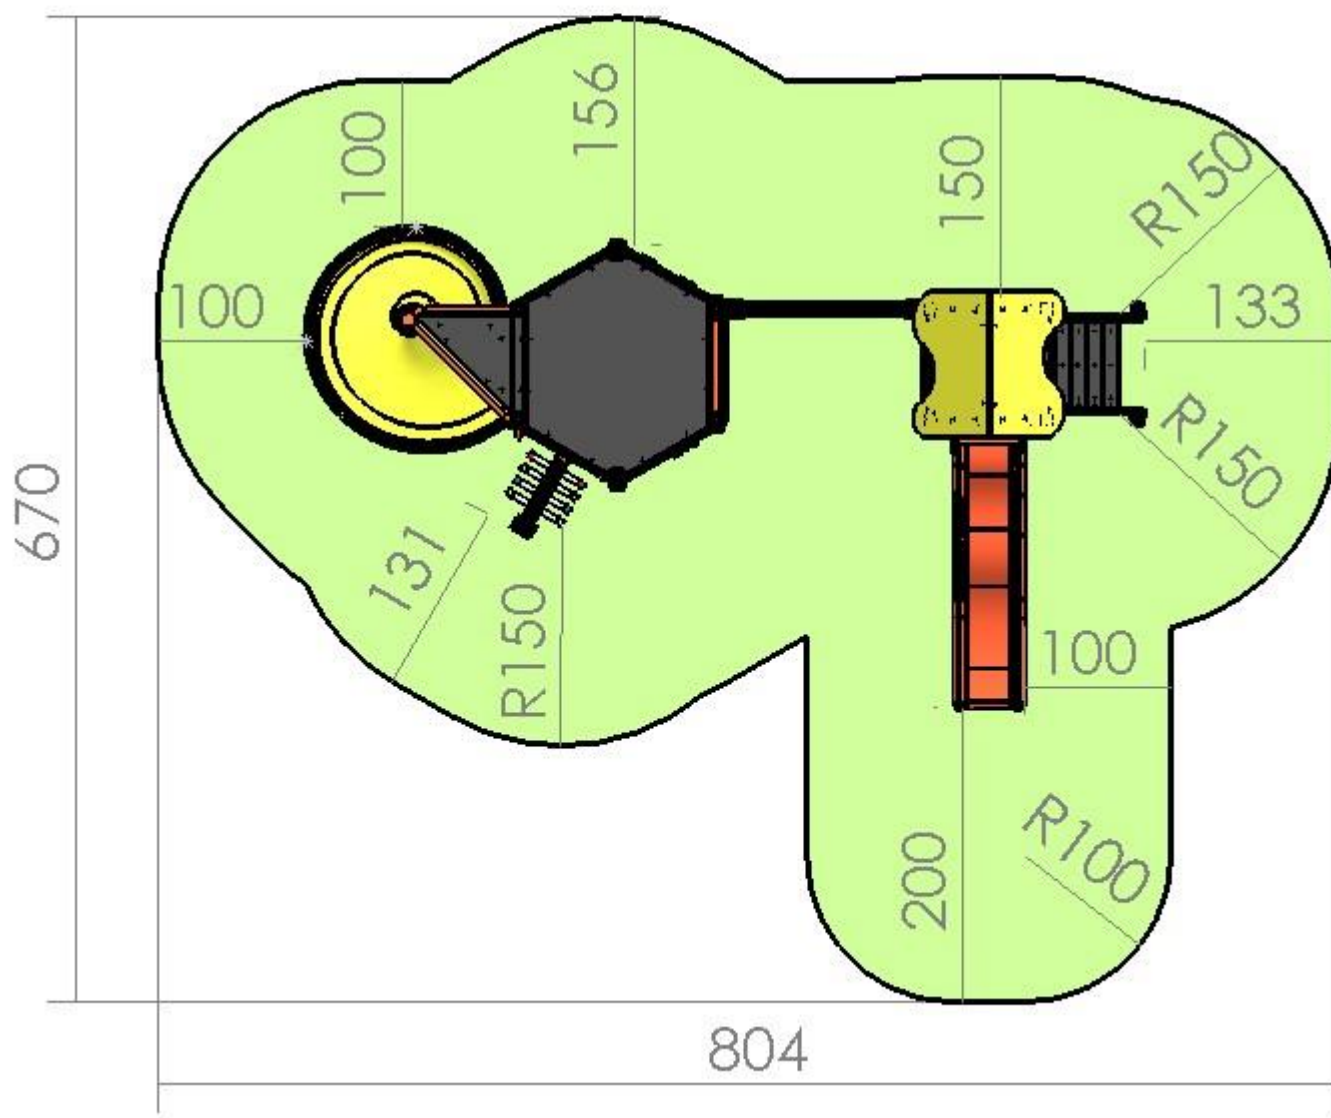

Combined playground equipment, model KD22

Dimensions of the Equipment and Minimum Space for Placement

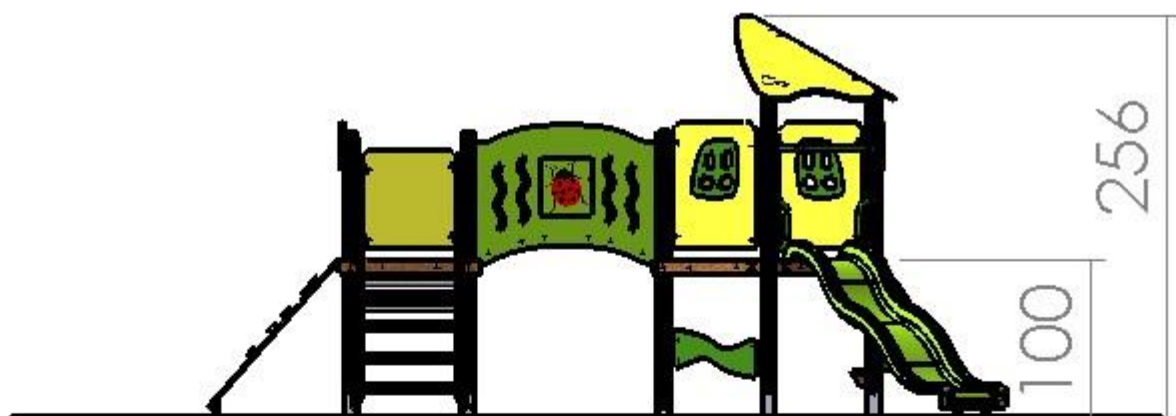

Зона на падане - 40 м²

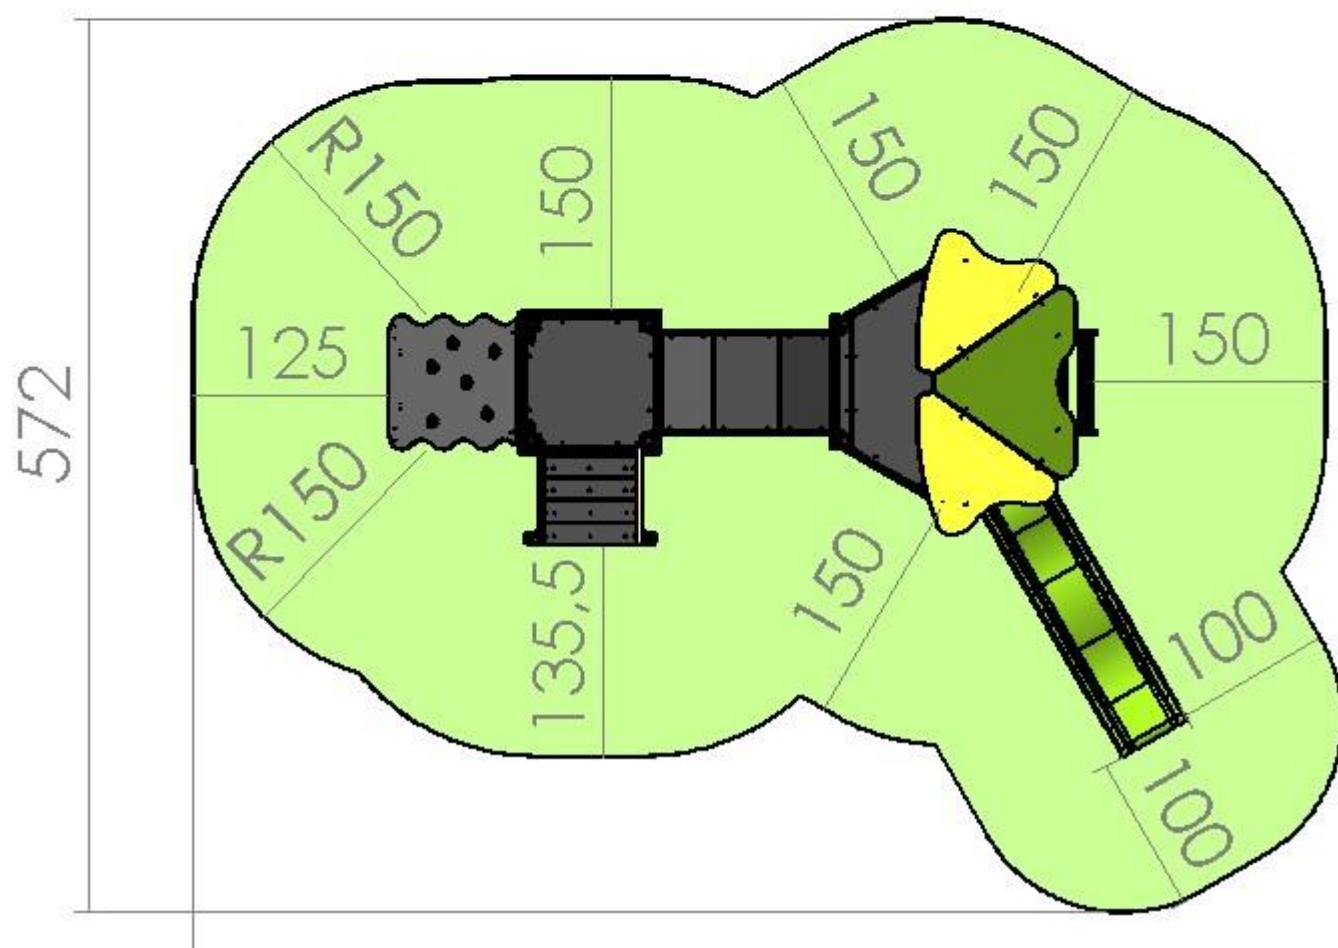

Combined playground equipment, model KD23

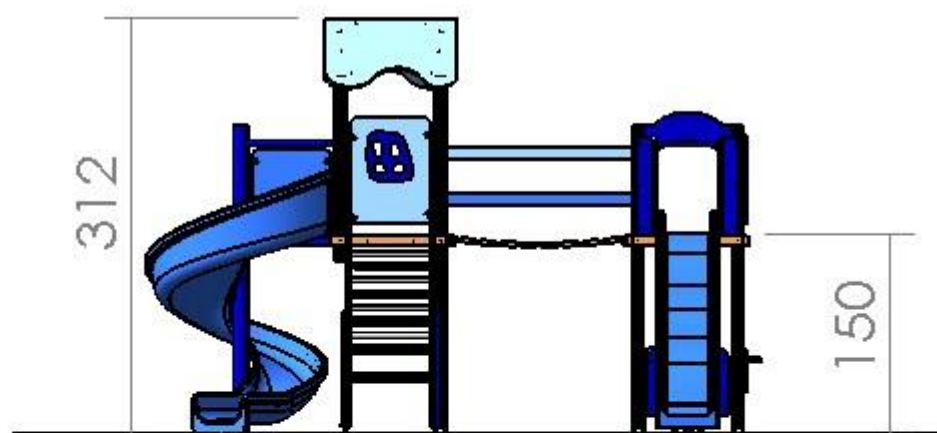

Зона на падане - 35 м2

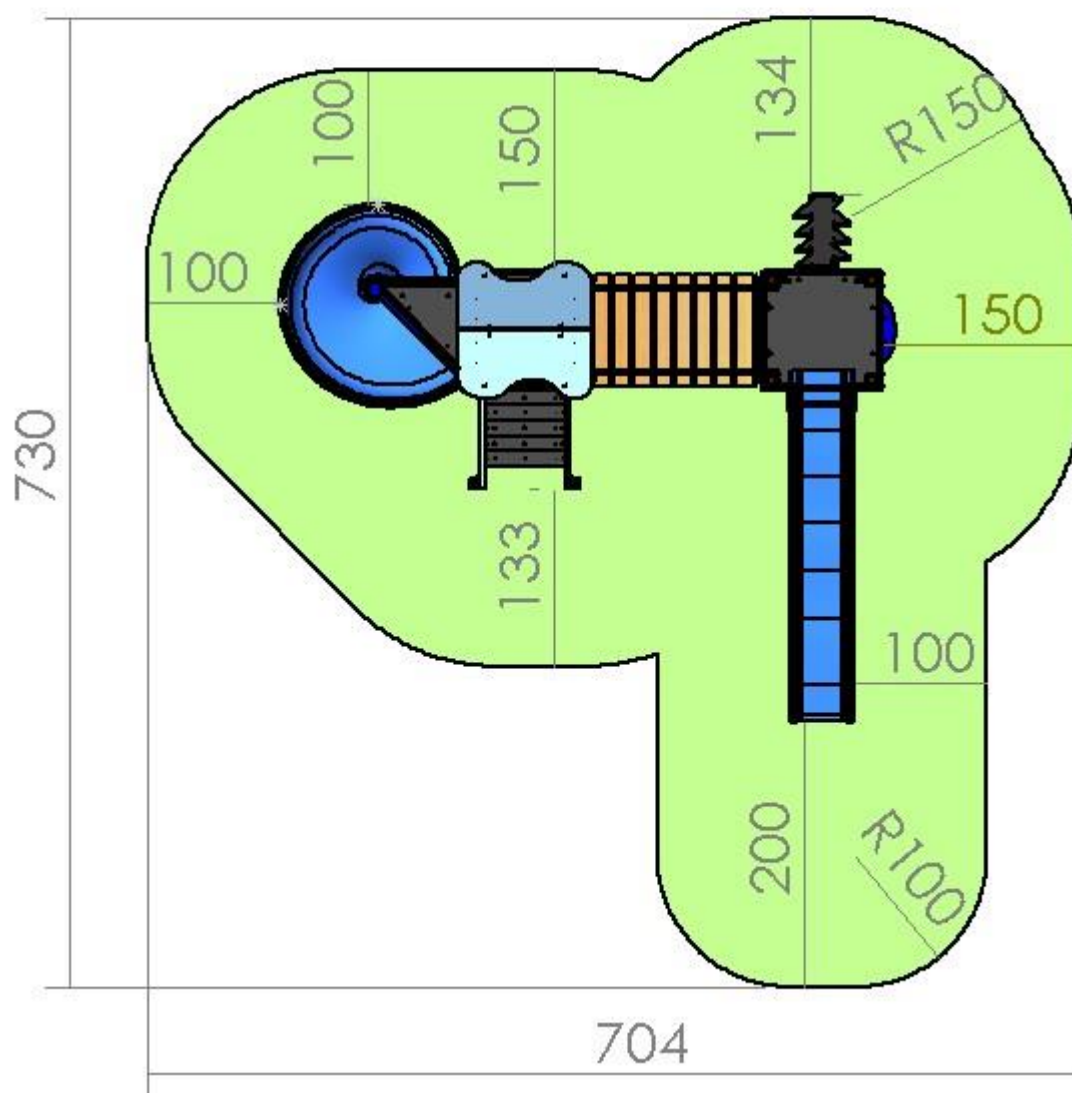

Combined playground equipment, model KD24

Dimensions of the Equipment and Minimum Space for Placement

Зона на падане - 38 м2

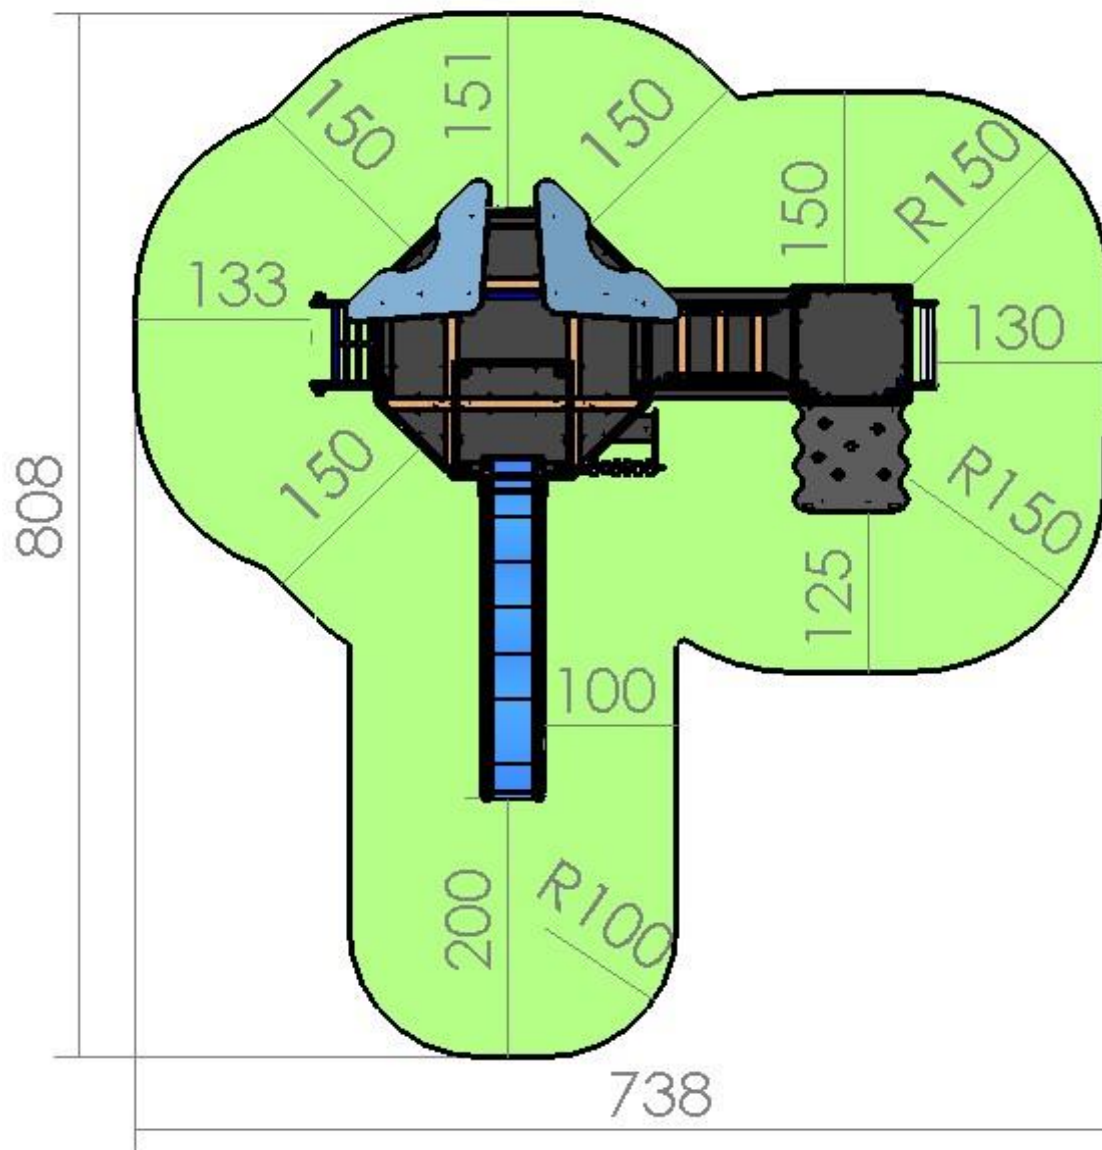

Combined playground equipment, model KD25

Dimensions of the Equipment and Minimum Space for Placement

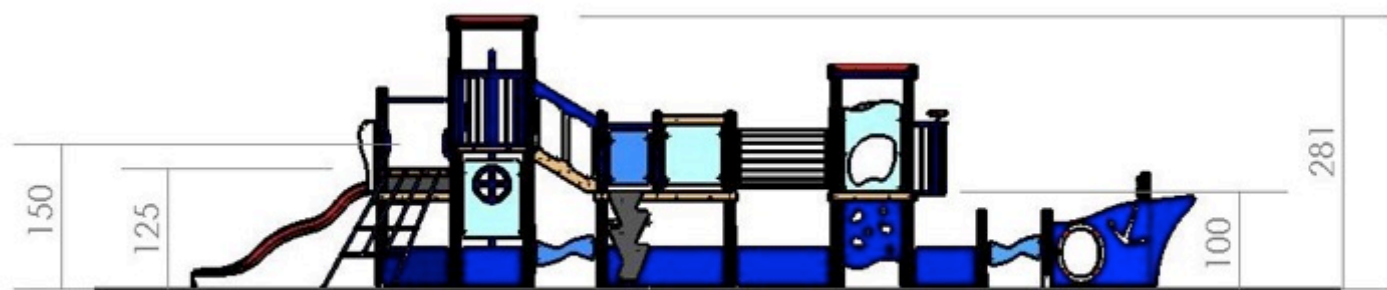

Зона на падане - 43 м2

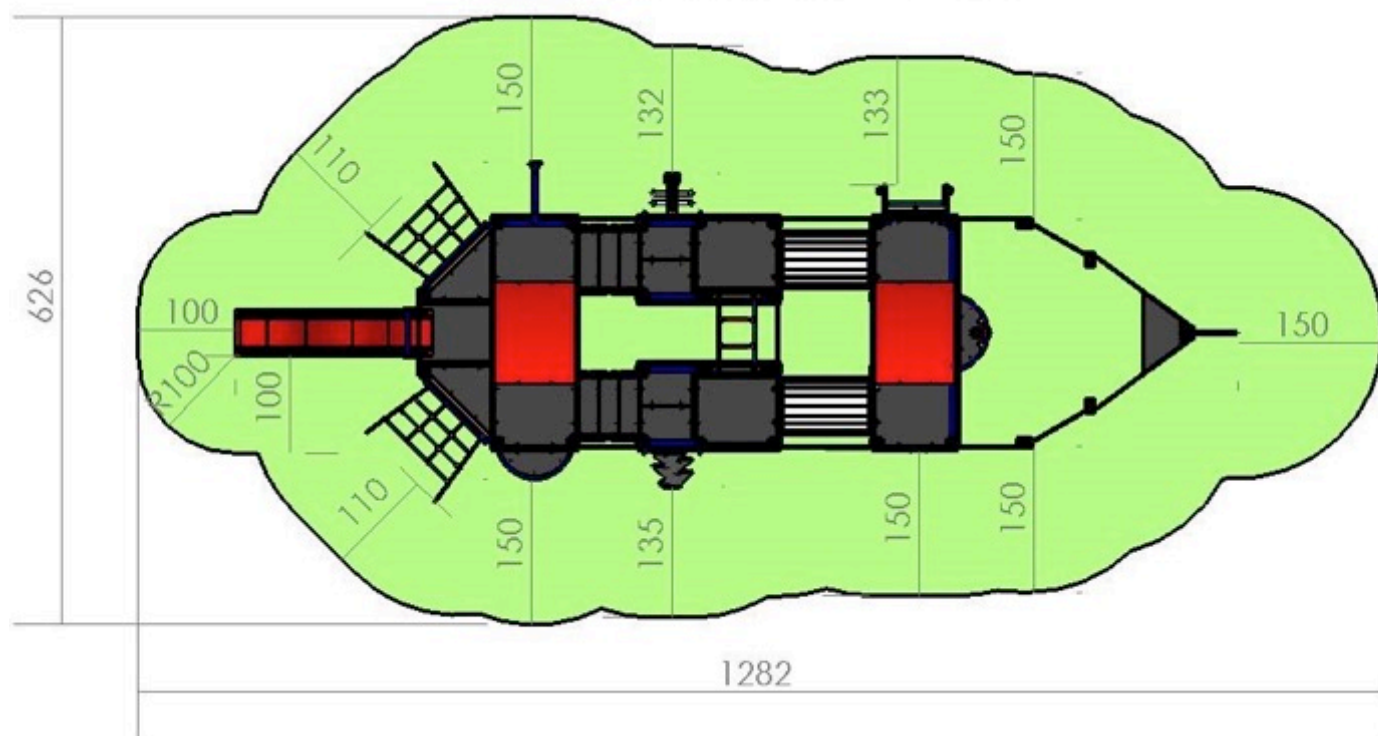

Combined playground equipment, model KD26

Dimensions of the Equipment and Minimum Space for Placement

зона на падане - 66 м2

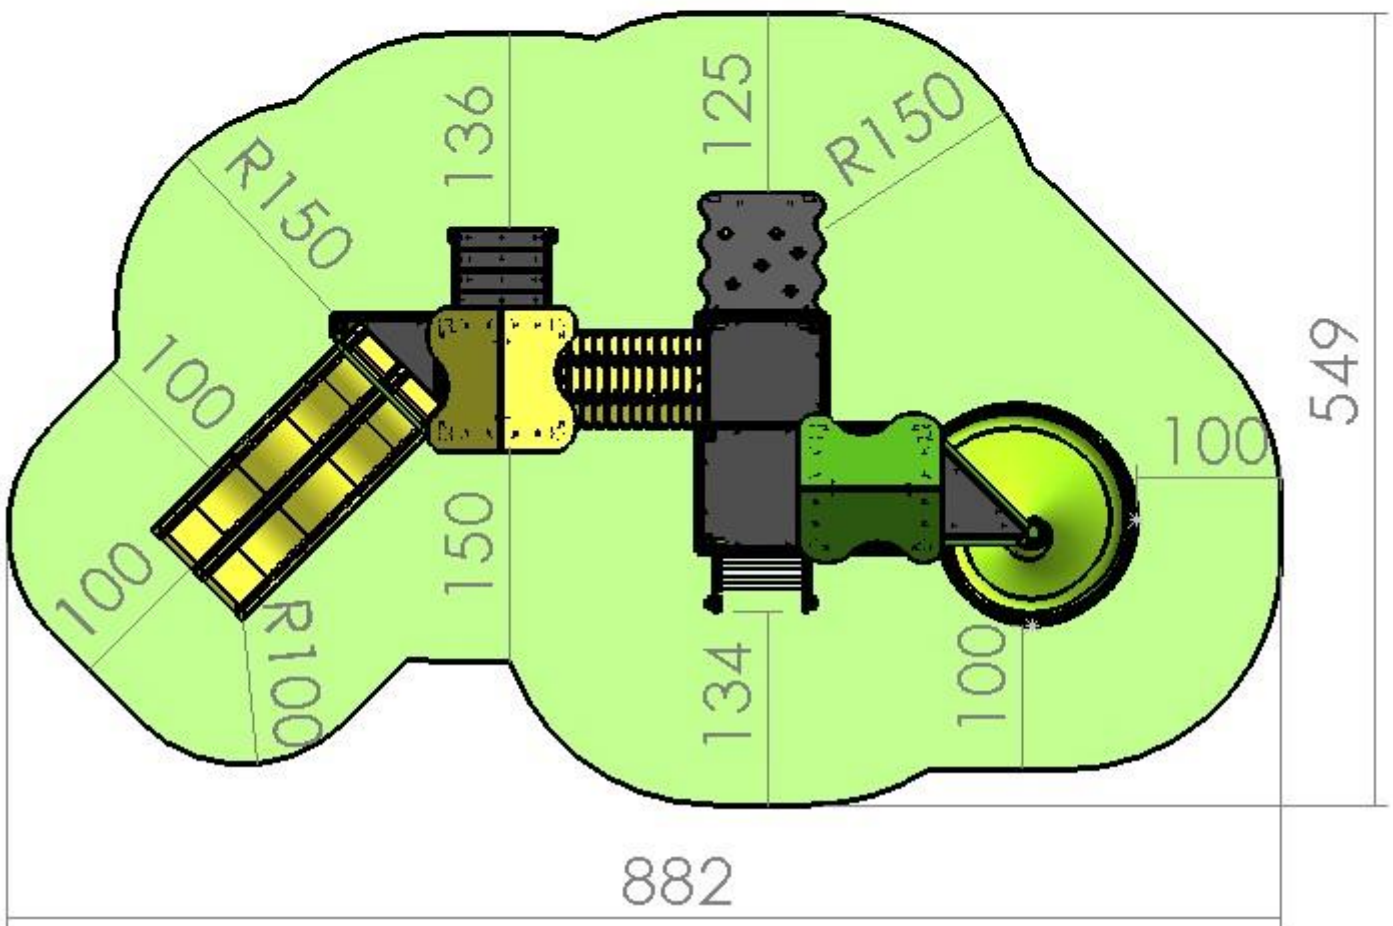

Combined playground equipment, model KD27

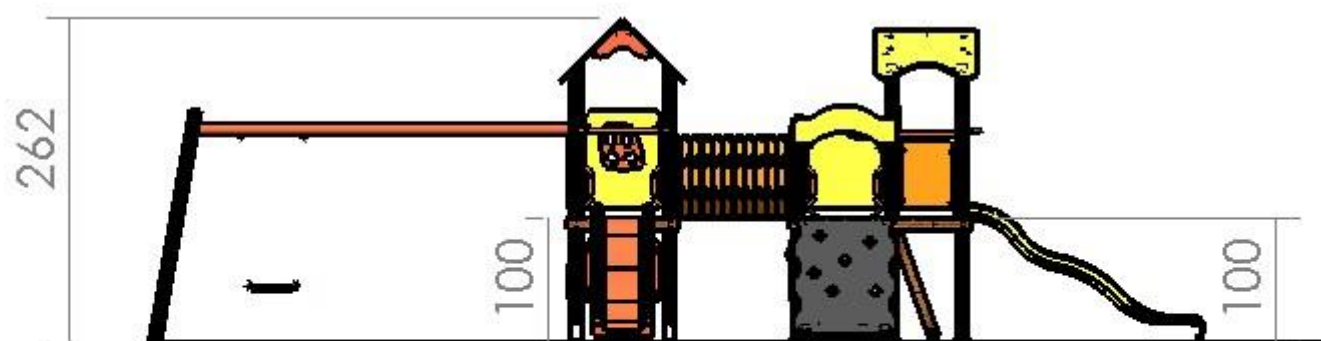

Зона на падане - 41 м2

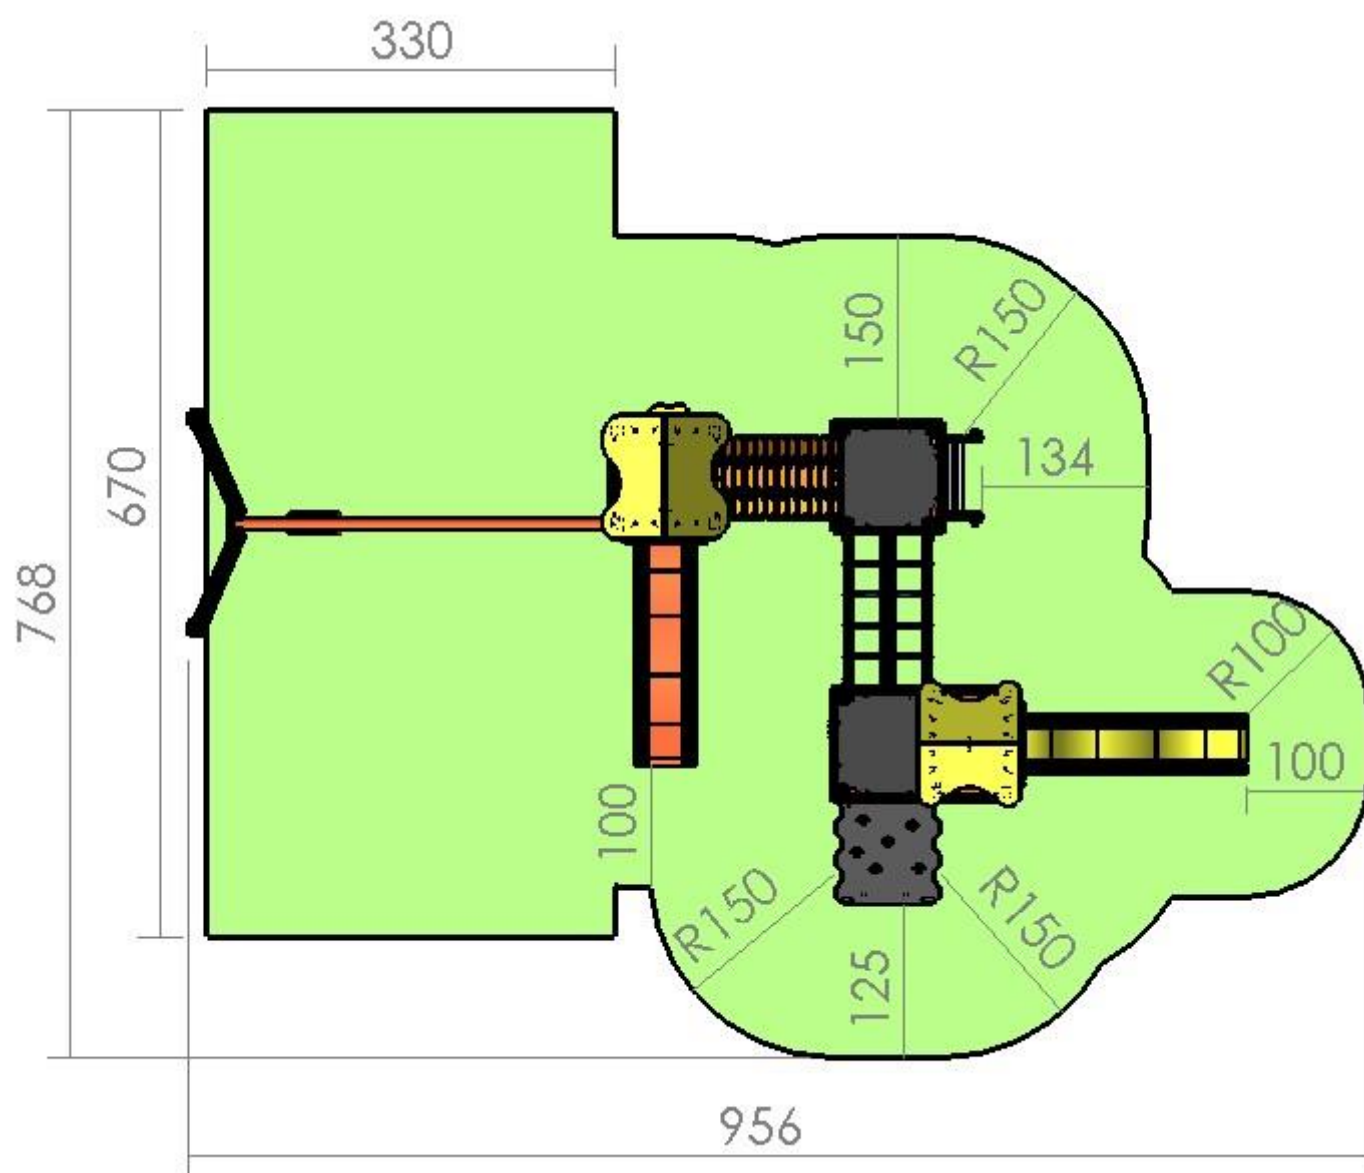

Combined playground equipment, model KD28

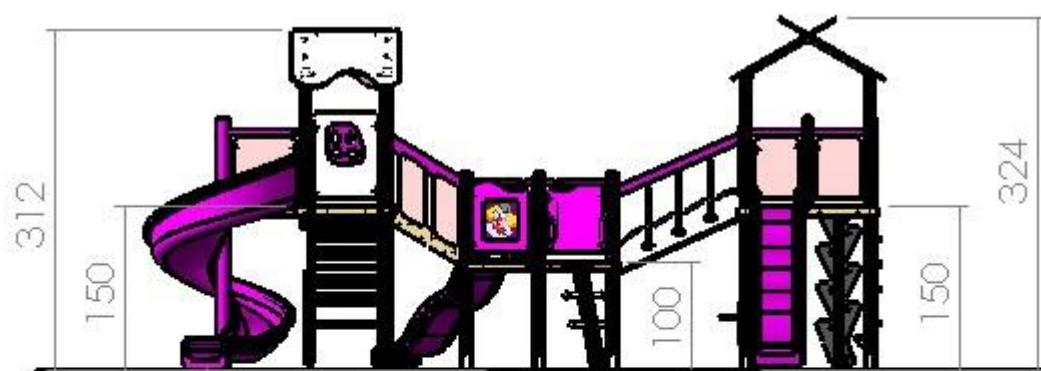

Зона на падане - 58 м2

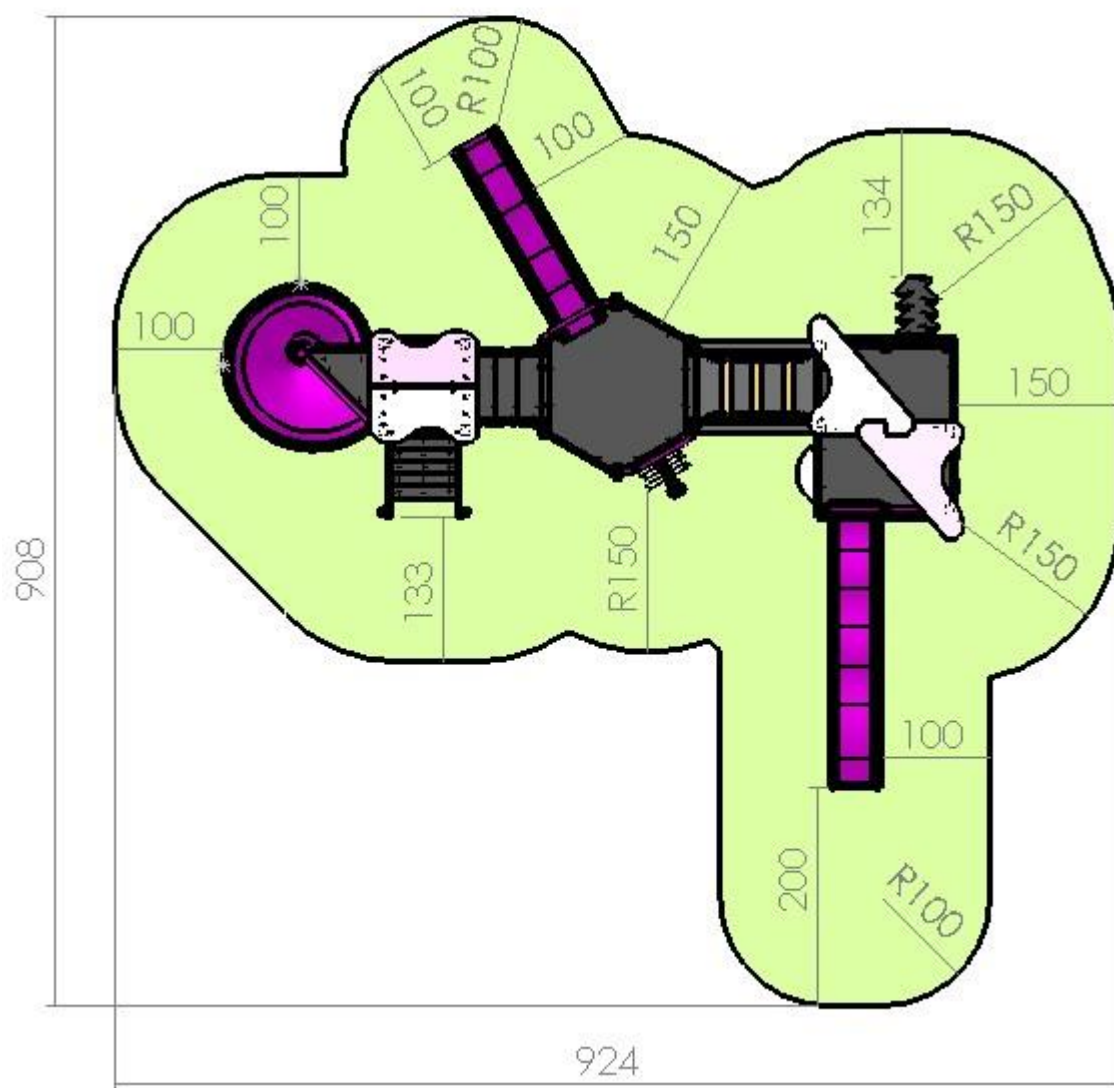

Combined playground equipment, model KD29

Dimensions of the Equipment and Minimum Space for Placement

Зона на падане - 54 м2

Combined playground equipment, model KD30

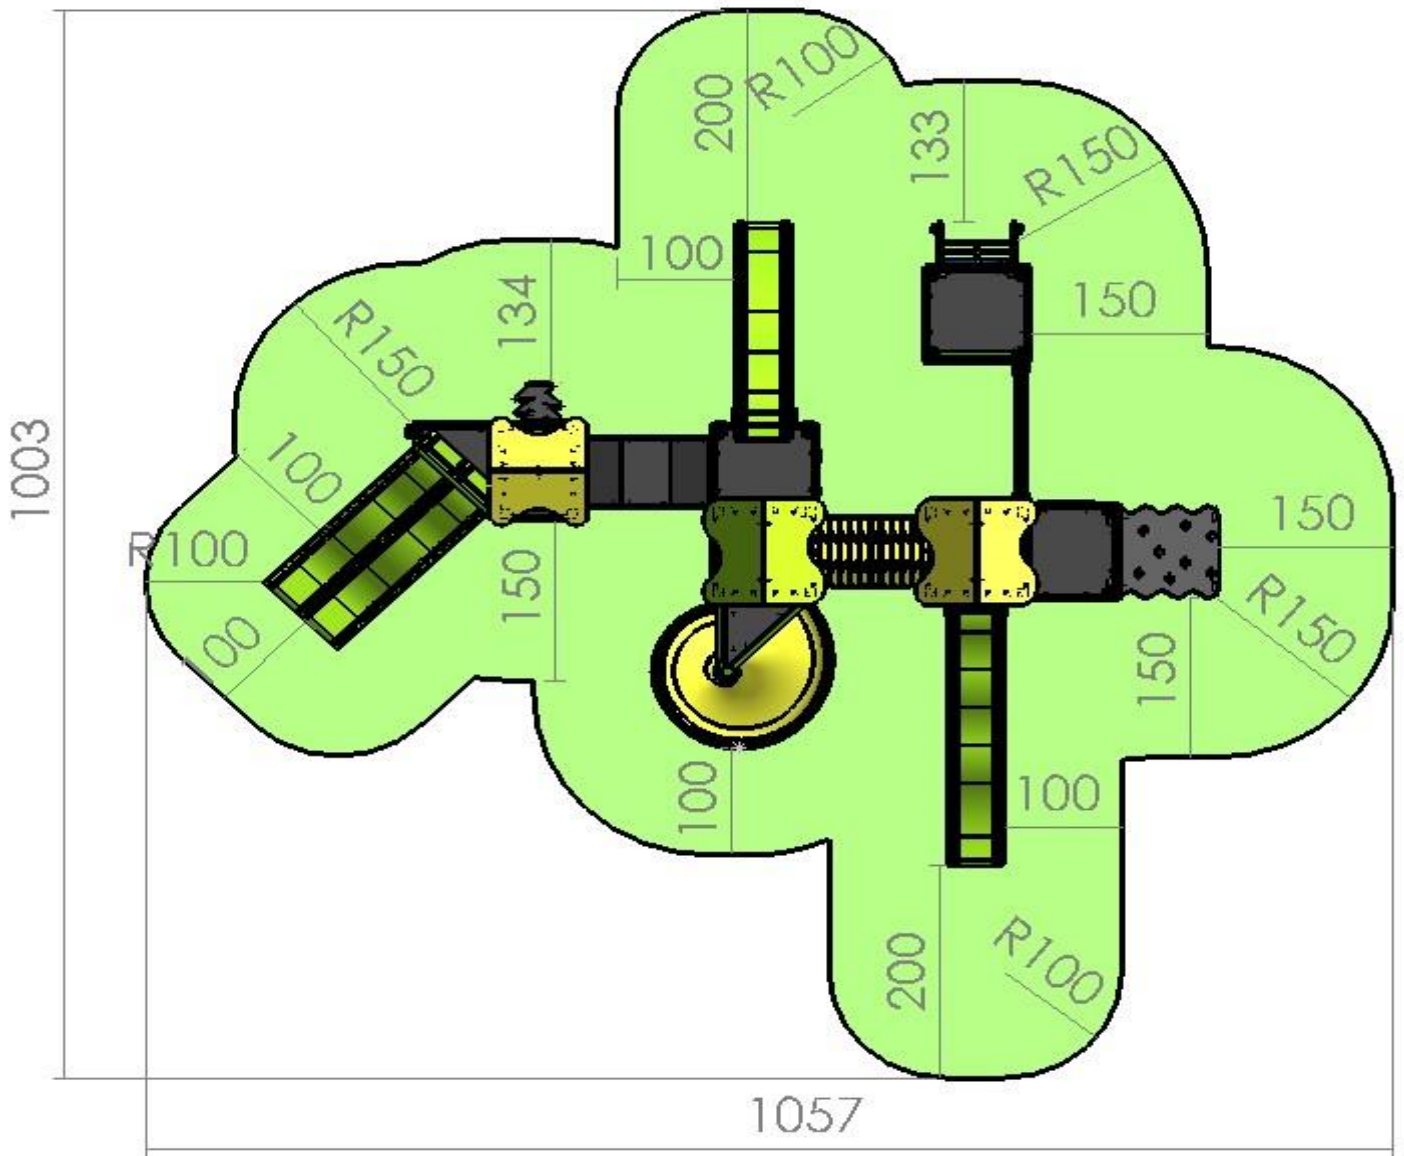

Dimensions of the Equipment and Minimum Space for Placement

Зона на падане - 68 м2

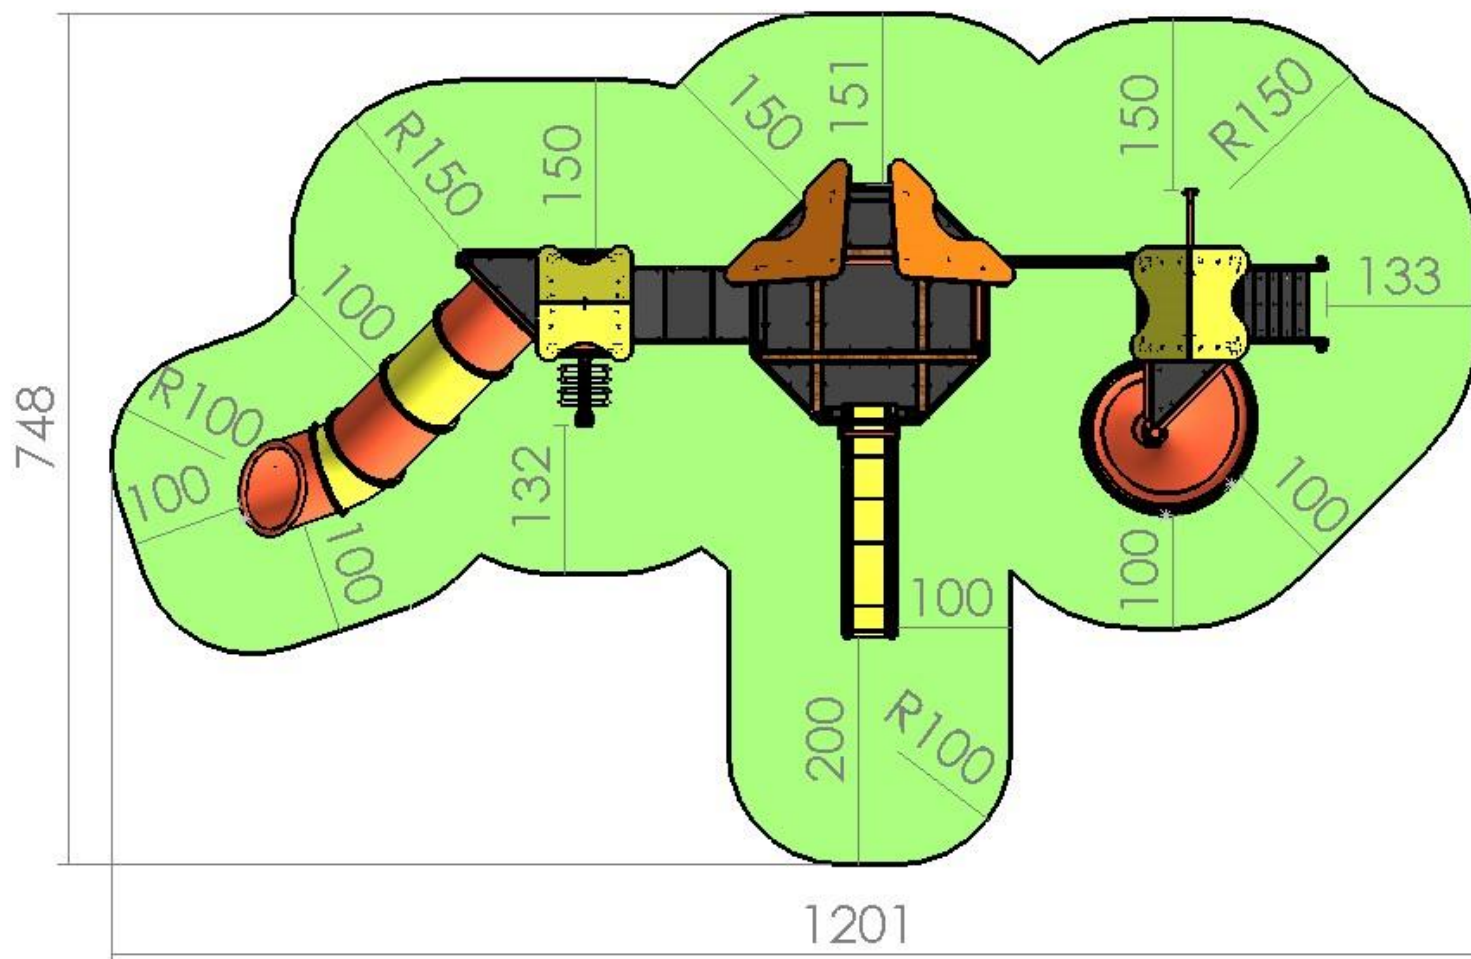

Combined playground equipment, model KD31

Dimensions of the Equipment and Minimum Space for Placement

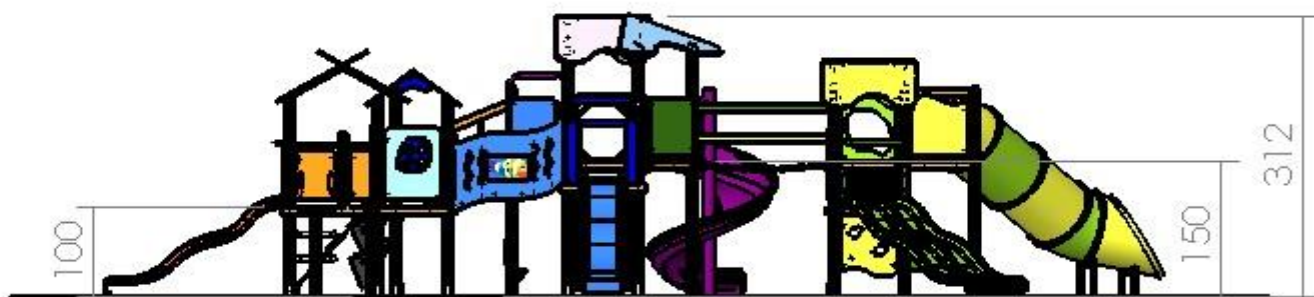

Зона на падане - 63 м2

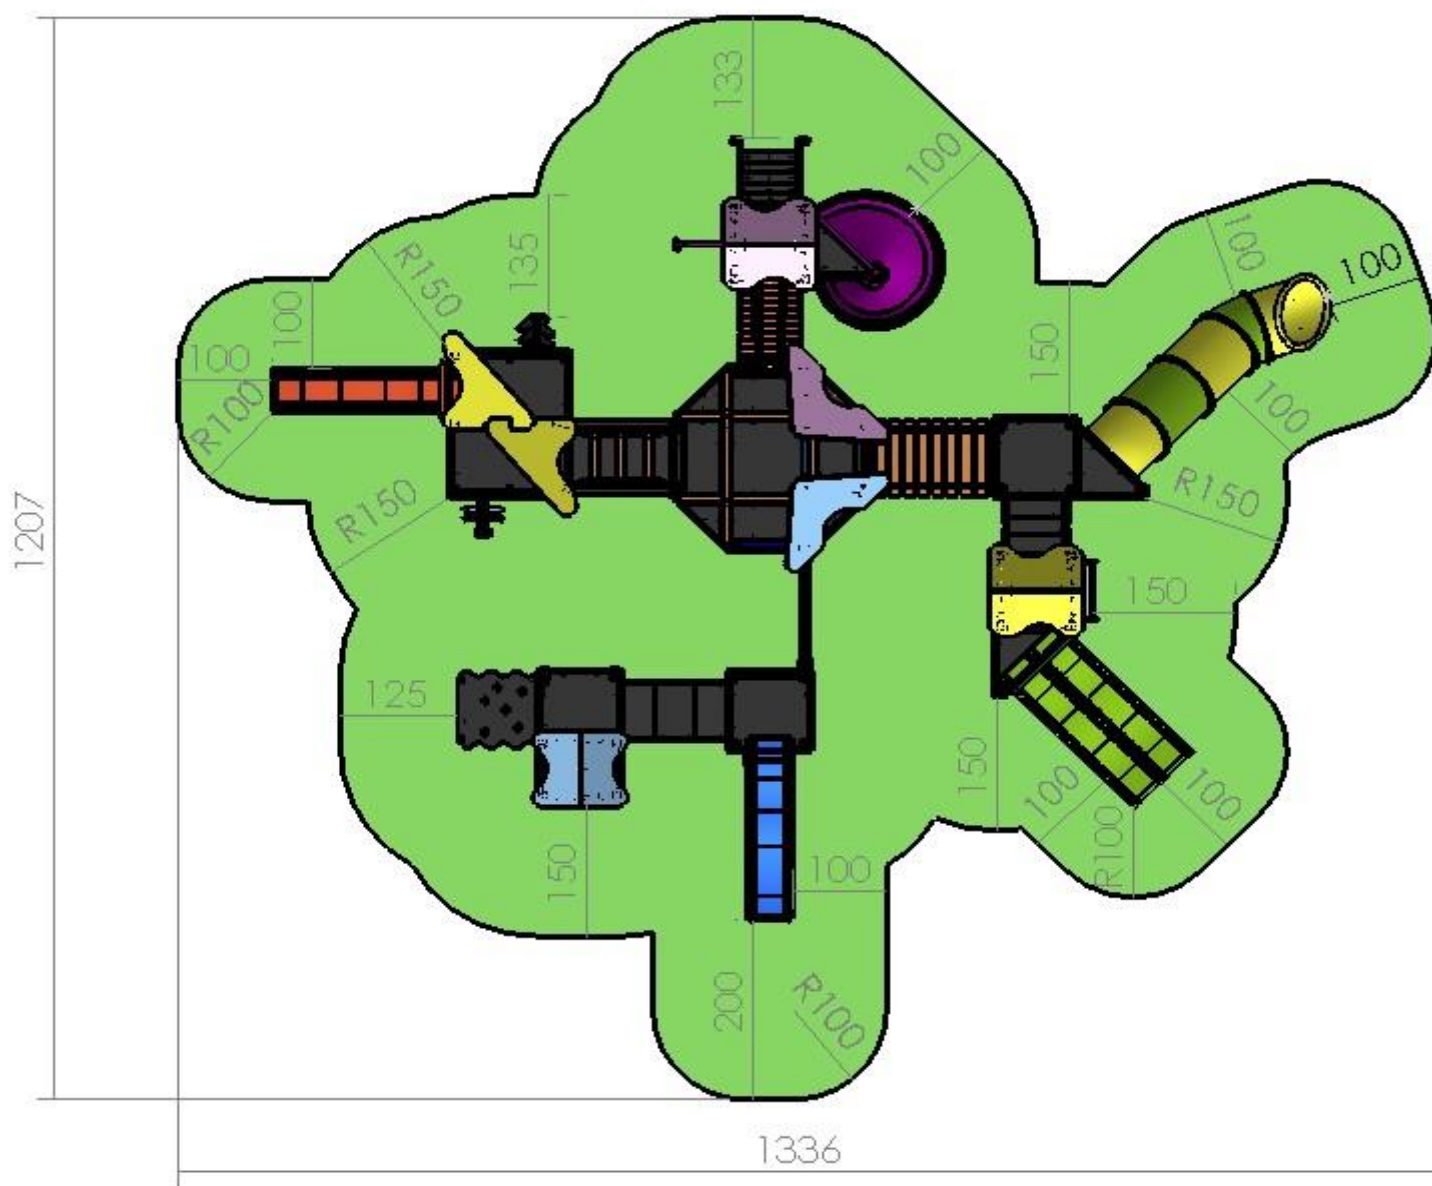

Combined playground equipment, model KD32

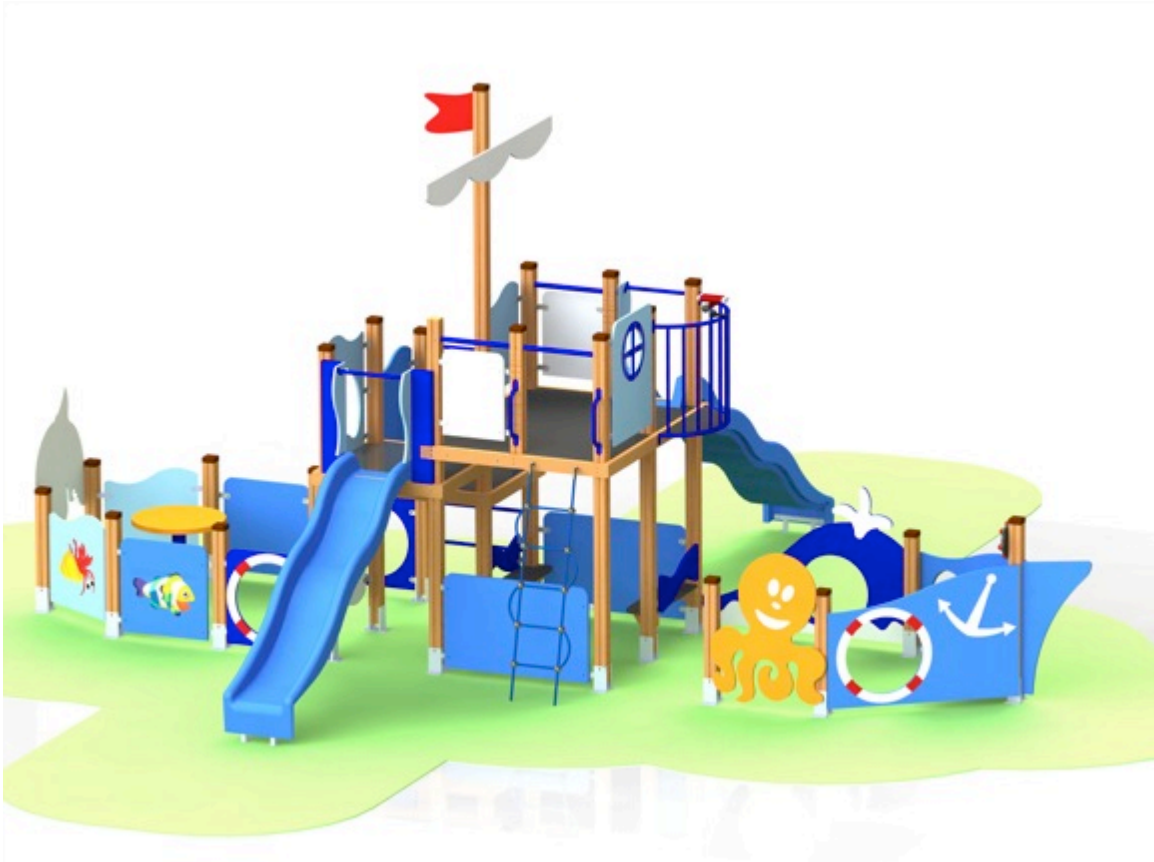

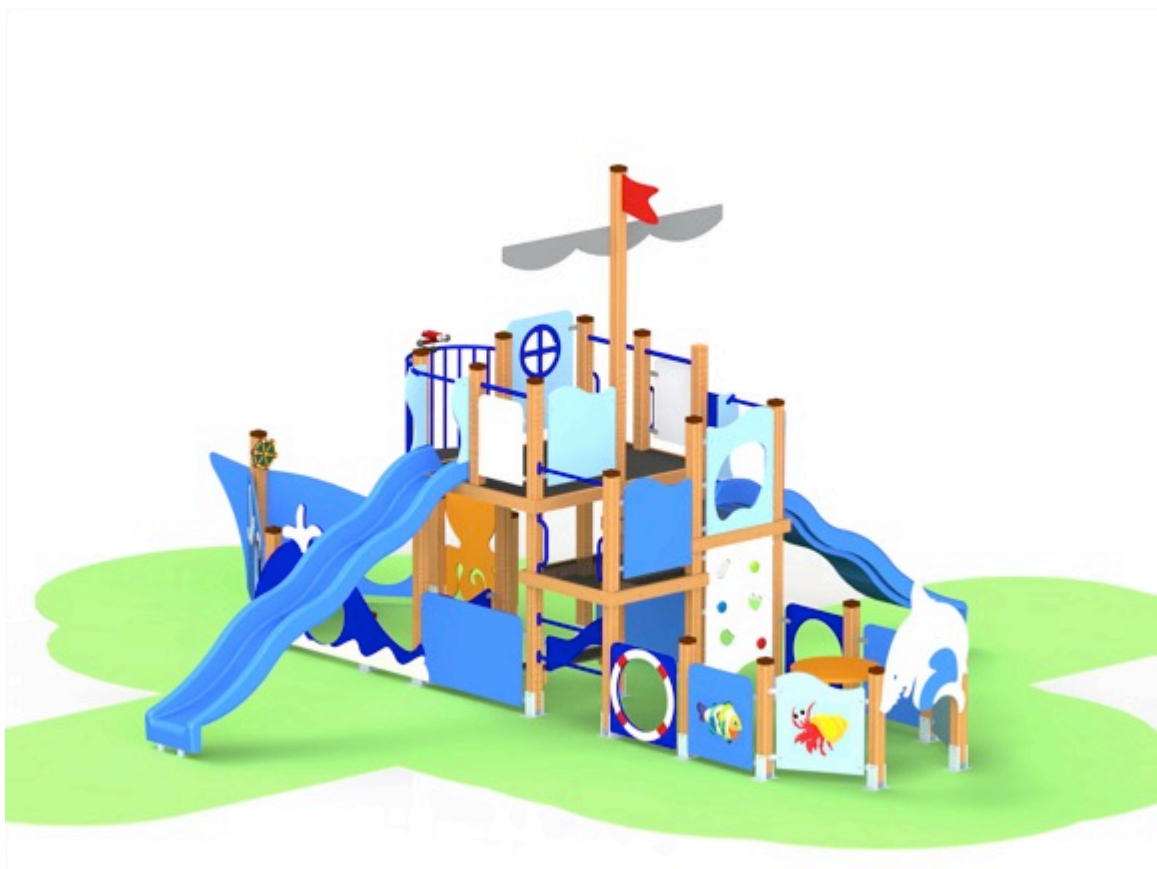

Зона на падане - 105 м2

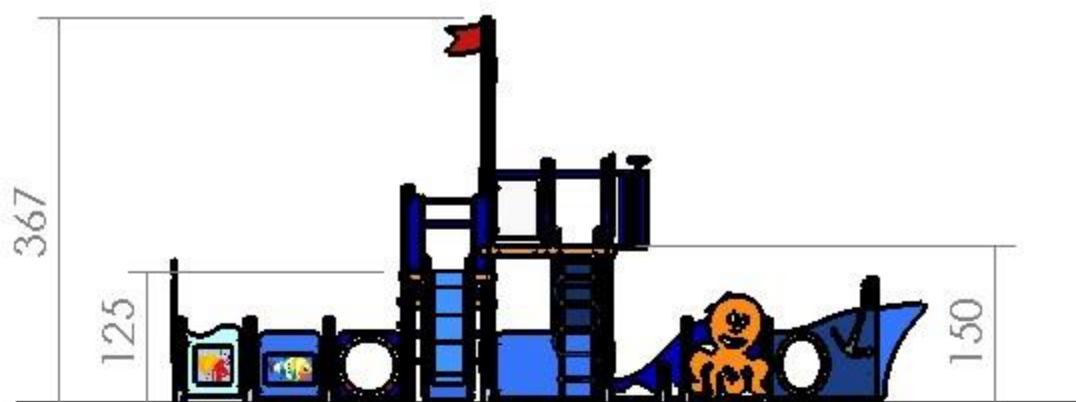

Combined playground equipment, model KD33

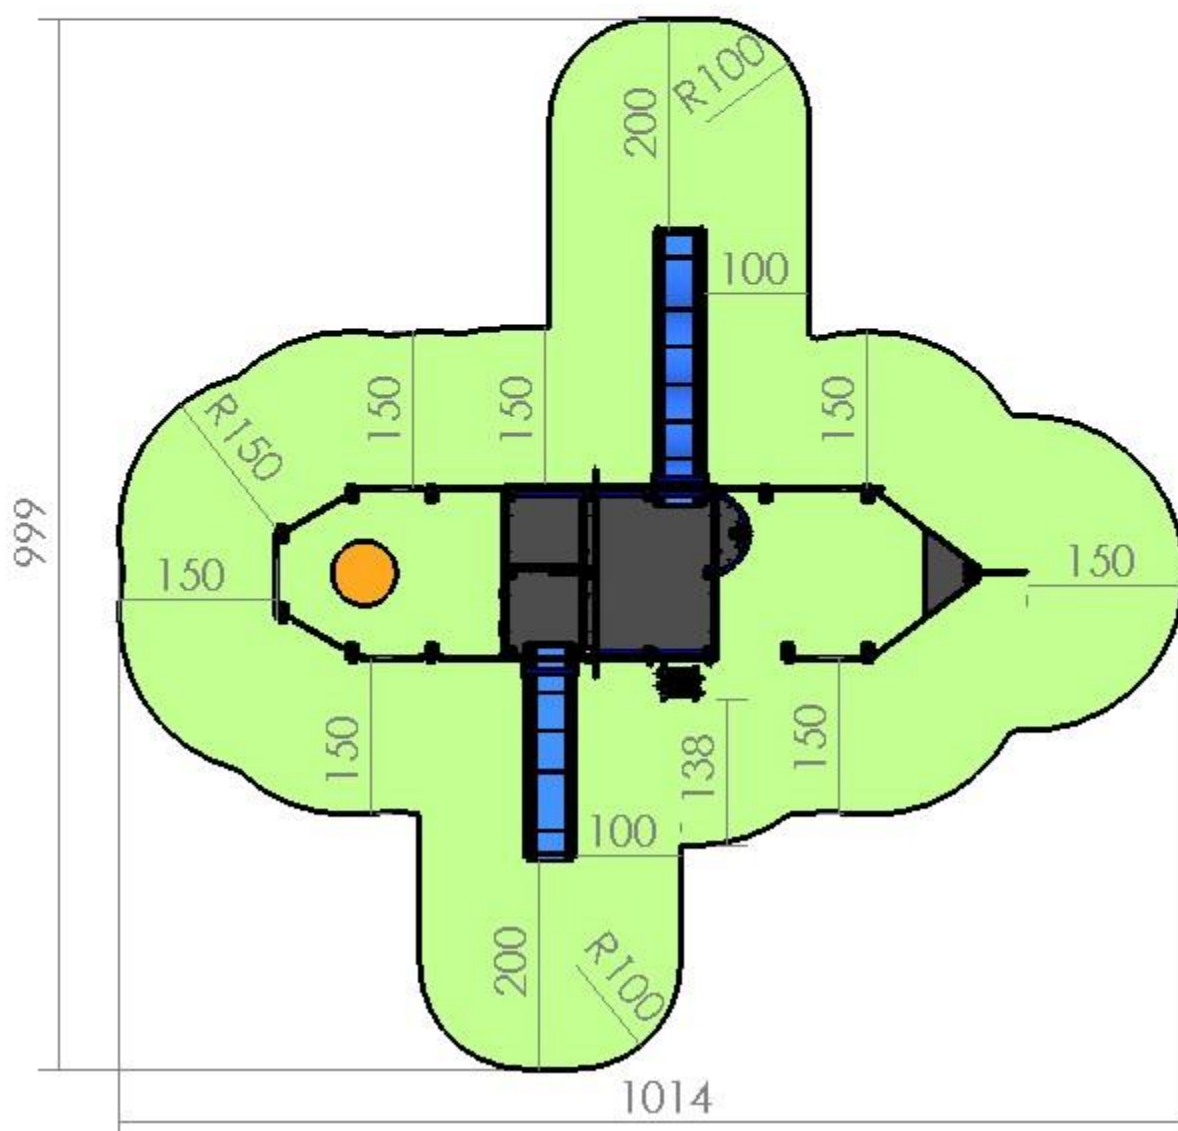

Dimensions of the Equipment and Minimum Space for Placement

Зона на падане - 59 м2

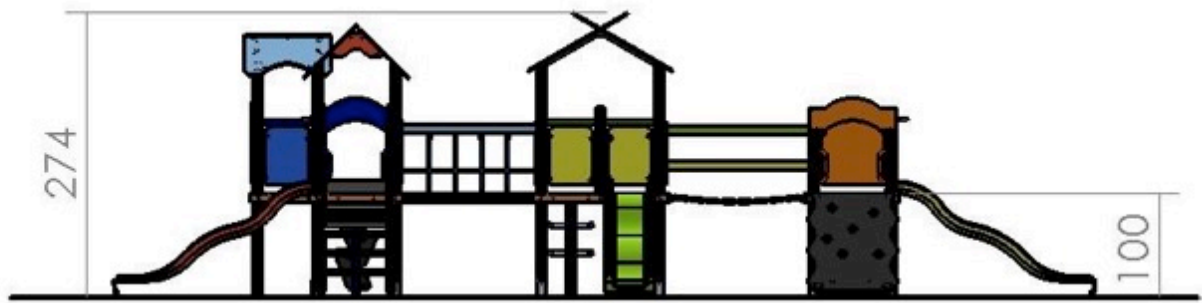

Combined playground equipment, model KD34

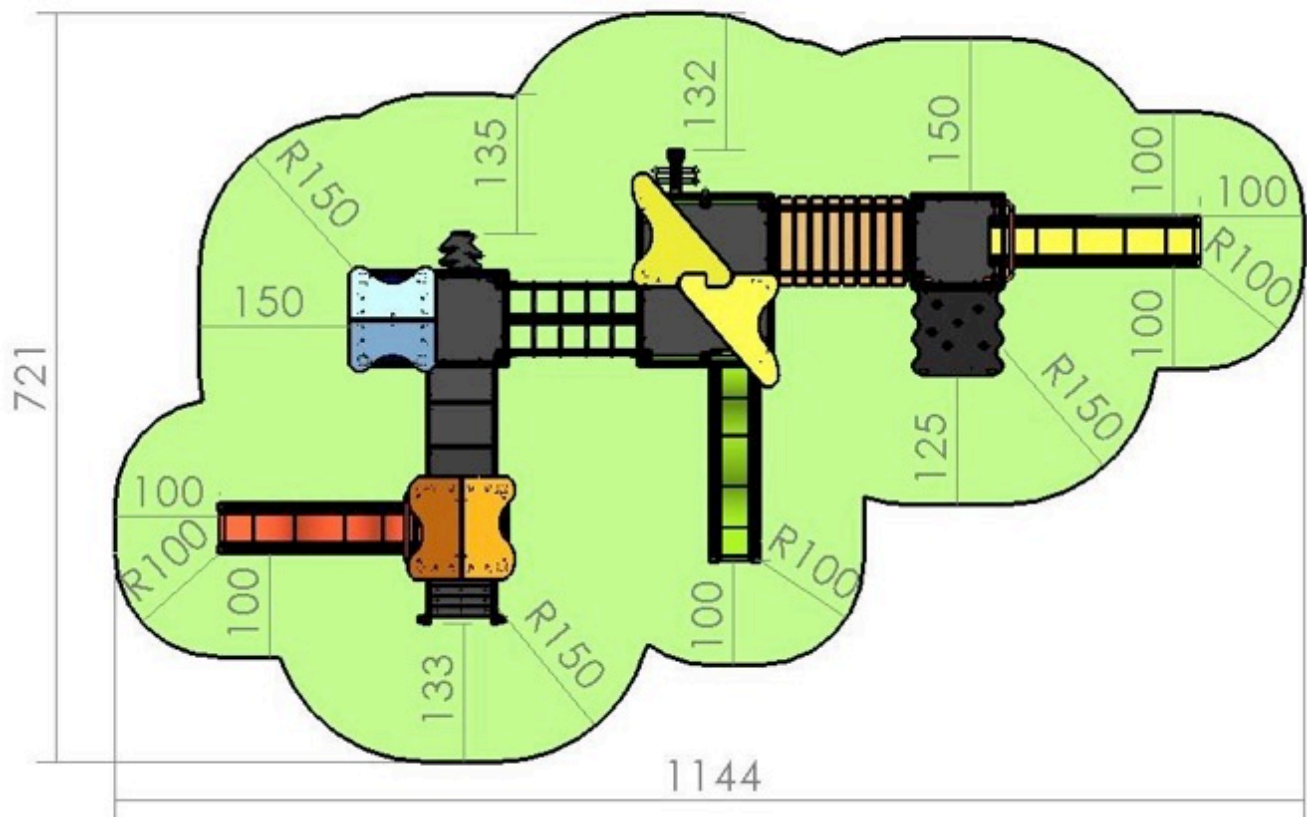

Dimensions of the Equipment and Minimum Space for Placement

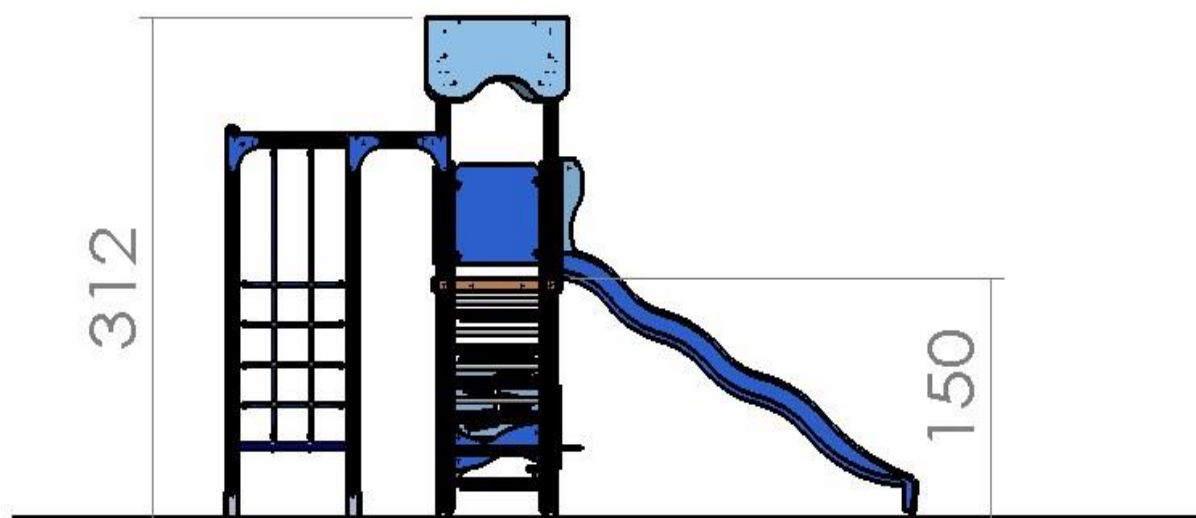

Зона на падане - 61 м2

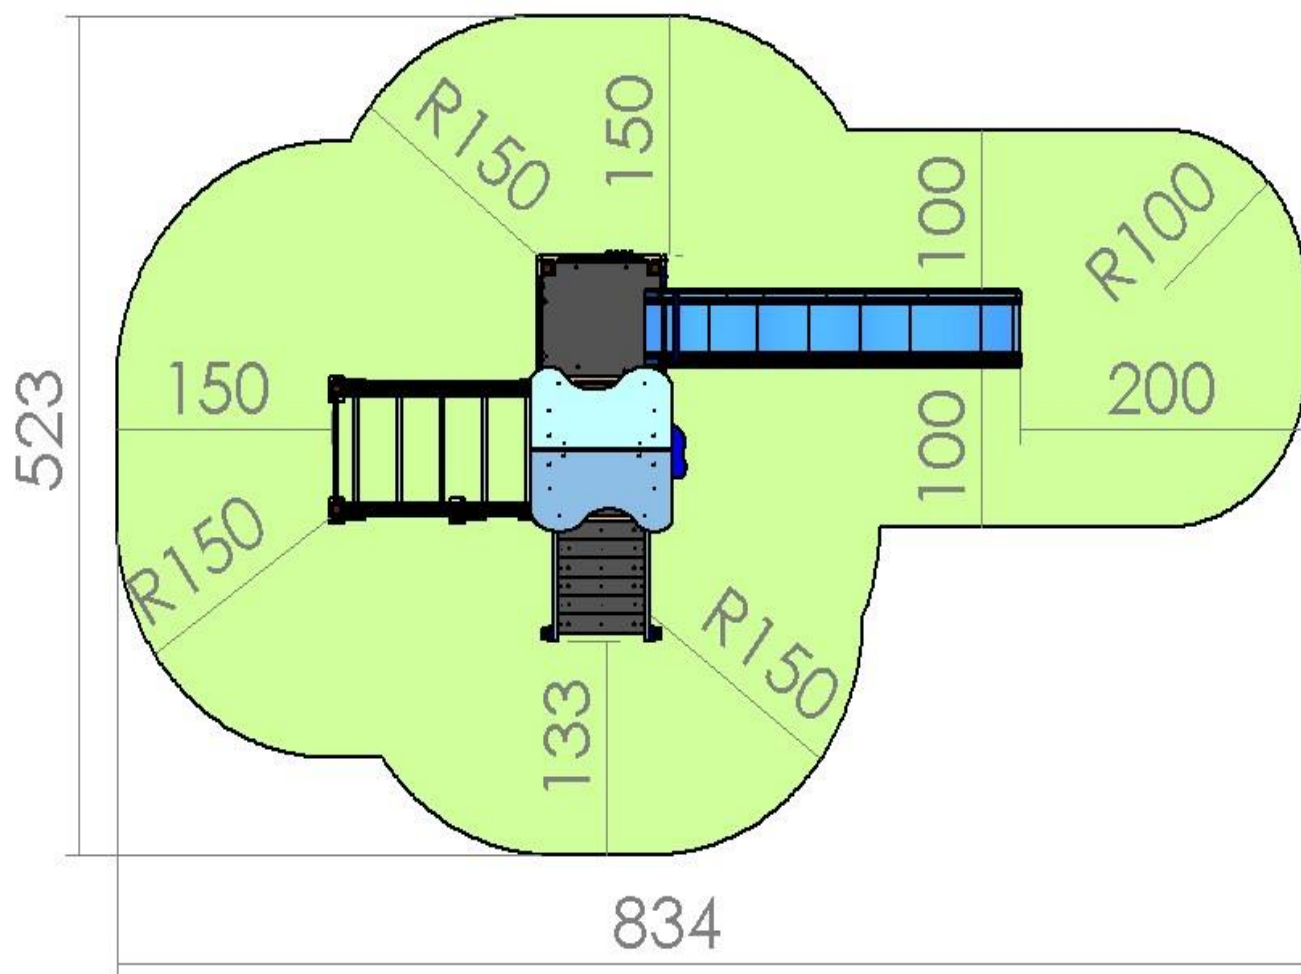

Combined playground equipment, model KD35

Dimensions of the Equipment and Minimum Space for Placement

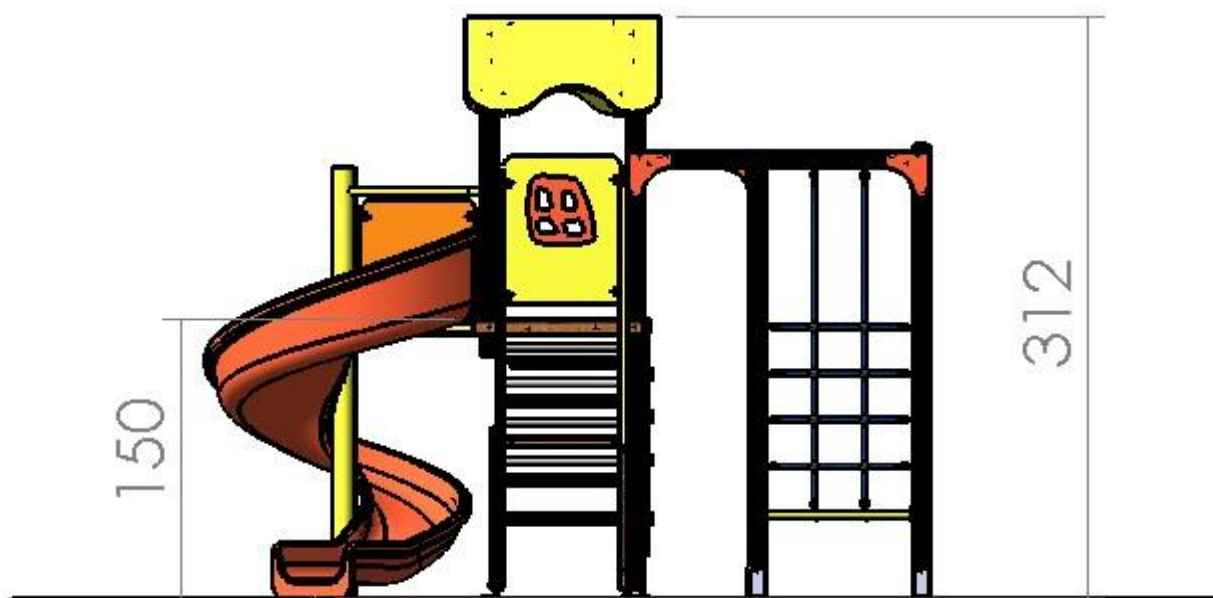

Зона на падане - 33 м2

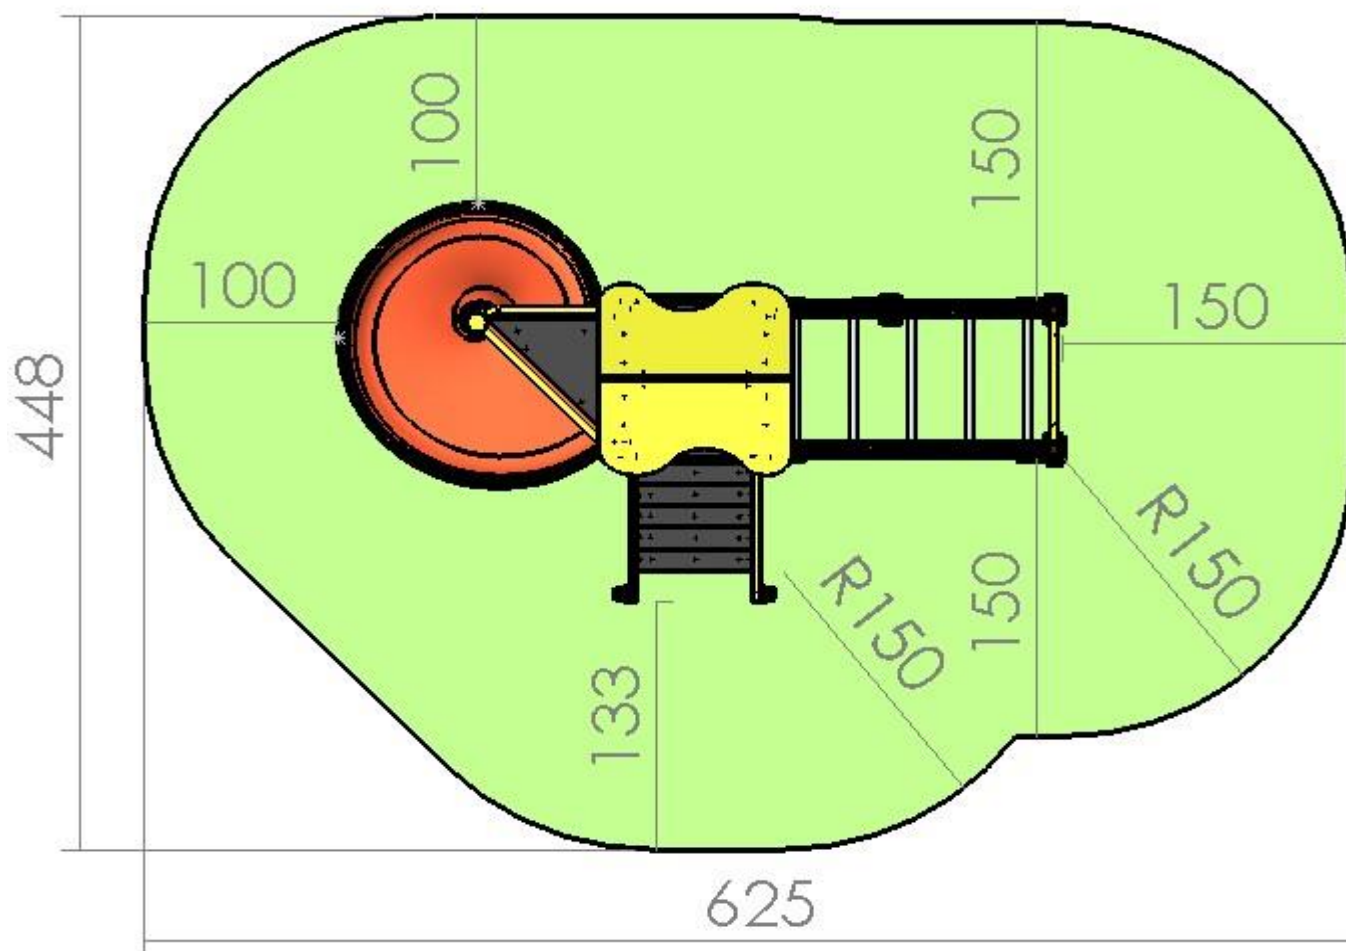

Combined playground equipment, model KD36

Зона на падане - 26 м2

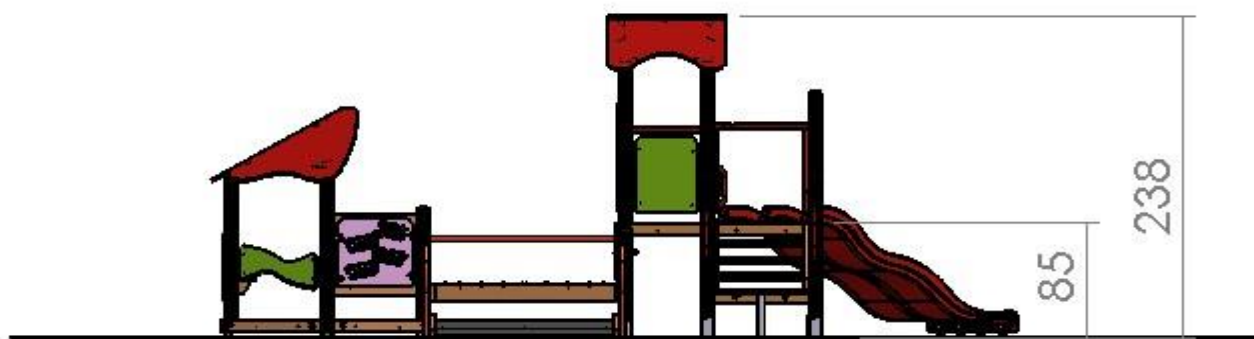

Combined playground equipment, model KD37
